

MUSEUM HOUSE

Once home to the railway superintendent for the town of Capreol, this Victorian era building now houses a wealth of artefacts and special exhibits related to the lumber, mining and railroading industries in northern Ontario.

PRESCOTT PARK

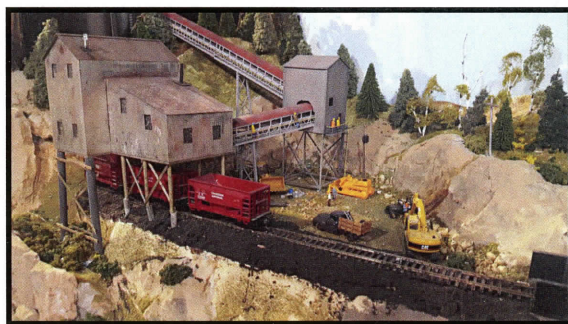

Prescott Park is home to lush gardens, a train-themed playground, as well as Canadian National Steam Locomotive #6077, Temiskaming and Northern Ontario Steam Locomotive #219 and a unique collection of rolling stock.

HERITAGE CENTRE

Located in the former municipal building for the town of Capreol, this site now sheds light on the region's social heritage with displays ranging from photographs to sports memorabilia, an antique Gottfredson Bickle fire engine and the town's original jail. Also home to an incredible model railway display.
