

Welcome...

When you drive through the welcoming gates of the Grand Hotel worldly care will fall away. You wind through a landscaped peninsula, under majestic moss-draped trees, past sweeping lawns up to the unique hotel itself. Harmoniously designed to fit its natural surroundings, the Grand Hotel offers you graciousness and charm with a Southern accent. Unostentatious luxury and superbly expert service are here at your command.

The sparkling waters of Mobile Bay stretch away to the horizon. The sunlit greenery, the immaculate sandy beaches, the inviting lounging spots in sun or shade, offer many rewarding choices... full days of pleasant activity, or you may cultivate the art of civilized loafing. This in a land of romantic history under five flags.

This is the third Grand Hotel to occupy this strikingly beautiful point on the Eastern Shore of Mobile Bay since 1840. It is the true inheritor of more than a century of gracious Southern social life and charm.
