GRAND HOTEL is ideal for grounds occupy the whole miles inside the mouth of the first land sighted by the da on his discovery voyage Point during the last century Grand Hotels, each a resort in its day. Thus a comfort . . . of dignified been handed down through new Grand Hotel.

cellent is our cuisine that our "neighbors"—owners of beautiful Summer homes up and down the Eastern Shore—are frequent mealtime guests.

## VISTAS

Cyclists and hikers are in their glory at Grand Hotel! The scenery is semi-tropical—and the vicinity is rich in interesting historical spots. The broad hotel grounds are dotted everywhere with comfortable chairs under moss-hung oaks.

## VERANDAHS

For restful meditation no other place can compare with an easy chair on one of the cool, breeze-swept porches located in the wings of Grand Hotel. They're convenient to all guest rooms and if you desire you can have a room opening directly on a porch.

## SKYLounge

The coolest spot on the Gulf Coast is the Grand Hotel Skylounge, atop the center of the hotel. Windows on all sides look out on oak-shaded walks, smooth white beaches, landscaped lawns! There's *always* a breeze!

## YOUR ROOM

Guest rooms are finished in unique natural-grain cypress. Each has cross-ventilation, tile bath, telephone and a huge closet. Tasteful furnishings are of Southern-California style.
