

Mr. Roberts has his day

The Lakewood Ladies' Golf Association honored its favorite host, Lakewood Golf club Manager Doug Roberts, last week with Doug Roberts Day. Roberts has been the club manager since 1947 and will retire on July 1 of this year.

To ensure that the amiable manager will continue to be a part of the golfing scene, the Lakewood Ladies Golf Association presented its honoree with a scroll which made him a life member in the ladies' organization. Mr. Roberts is now eligible to swing with the ladies in every Ladies' Day golfing event.

The congenial manager was also the recipient of a TV, a VCR, and a gift certificate at the Golf Shop, all compliments of the sorority which returned the hosting courtesies it had received for so many years.
