

*Restful...*

ISN'T IT —

THIS YEAR more than ever you want complete *change* . . . utter *relaxation* . . . and superb *comfort*! You'll find them in abundance at Grand Hotel—plenty of diversion in sports and entertainment, or deepest quiet and privacy when you want to rest.

As the air view on the cover shows, Grand Hotel was designed so that all guest rooms would be in the wings, far from central activity. Total absence of the glare so common at beach resorts was accomplished by the antique "weather-
