Attention: Susan Stein

Dear Susan:

I enjoyed our phone conversation today
and am happy to send you this '60's
item I know it would be a surprise
to see all the changes over the years.

I spoke with my daughter, age 67, and
she offered to come with me. (and drive.)
We probably would only afford 2 days.
If this is acceptable please advise
the best senior rate & when it would
be available -

I hope you will have a place for it
in your "history".

We grew up in San Antonio Texas - We are
Texas ATM in SEC now. Don't
ask class - I guess my age will answer

Sincerely

Inogene Smart

(Mrs. Frederick F.)

P.S.

I did not have

large envelope

so my daughter

will mail this for me
