Mr. Oren Ward  
Oak Harbor, Washington

Dear Oren :

Thank you for showing the slide show of old Oak Harbor. I had to leave so ~~was~~ not able to talk to you after the meeting. It was great and you have done a good job of keeping <sup>it</sup> in tact for future use. I am sure I could show it with all of your notes and would be happy to any time, with your help.

I am enclosing a accession slip for the pictures and negatives you gave to the Society, we could include the slide show if you wish. I hope they can all be kep together. Call me or let me know what your wishes are.

Sincerely, Murrieal Short

P.S. If you will please sign and return the original to me, keep the yellow one for your records. Or I will stop by one day.

Thank you again. M.S.
