SUPLEMENT

GLEANED HERE AND THERE.

For good shoes go to Blowers & KINETH.

Puget Race has put up a fine canvass awning in front of his drug store this week.

For low prices and best goods go to BLOWERS & KINETH'S.

The farmers have been rushing in the hay crop during the fine weather of the past week.

A few dress patterns, diagonal style, 30 cents per yard, at Thornton & Nunan's.

Coupeville has the two champion whist players of-well, of Coupeville, anyway. They "were never beaten"

If you have property to sell and want it sold quick place it in the hands of Babcock.

The weather during the past week has been warm enough through the day to suit the most exacting.

If you want some fine resident lots in Coupeville before they get up to boom prices you can buy them of Babcock.

The population of Western Washington is estimated to reach 225000. That is pretty good for a new State.

Thornton & Nunan have just received the largest and best stock of Ladies', Gents', Misses and children's shoes ever before in town.

Looking for Spittoons.

There is a tradesman in a neighboring village who occasionally gets off a good thing. The fact that he is innocent of any intent to joke adds force to his comical sayings. The other day a lady called at his place of business and asked:

"Have you spittoons?"

"Eh?" said the merchant, pricking up his ears.

"Can you show me a spittoon?" repeated the lady, in a higher key.

"No," said the merchant, "i have nothing of the kind; but," he added hospitably, "you can spit in the coal hod."

The listeners chuckled audibly, and the lady smiled and took a hasty departure.
