THE
TIGER

TIDEHAVEN HIGH SCHOOL

BLESSING, TEXAS

1949 - 1950

Foreword

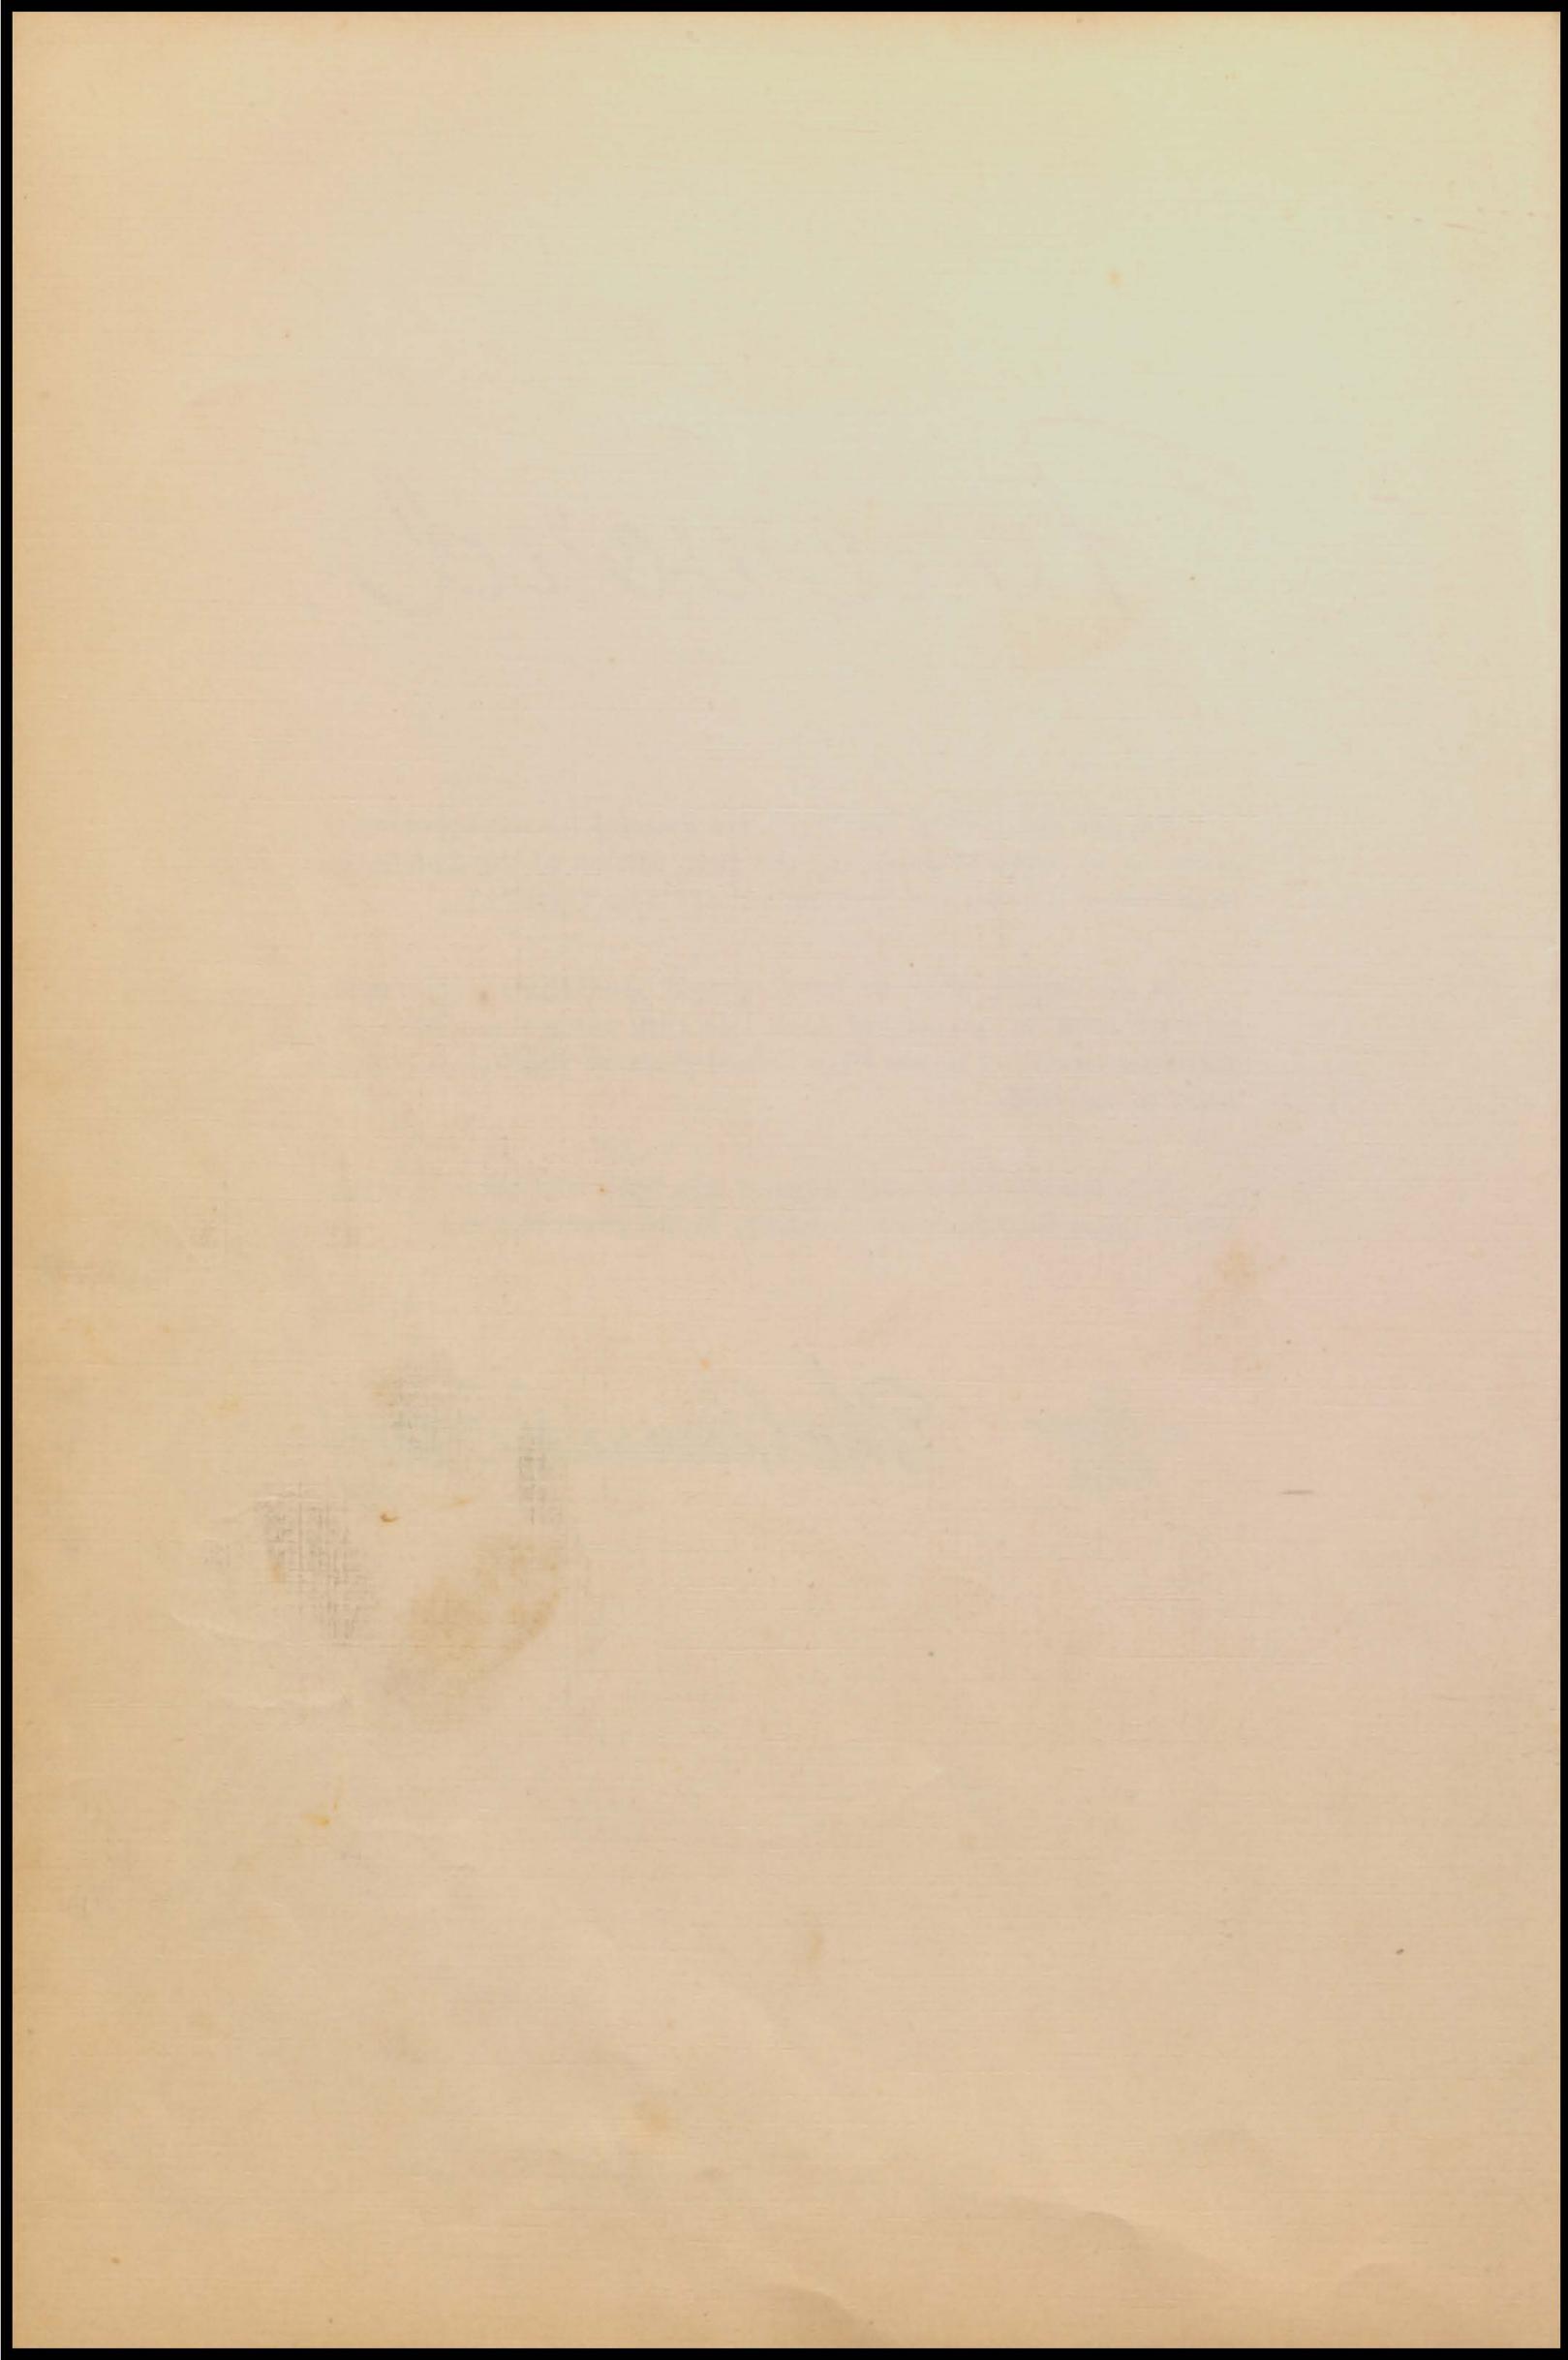

We, the members of the Staff, are grateful for the opportunity given us to serve in producing the first edition of the Tidehaven High School Annual; the 1950 edition of "The Tiger".

In the future, after we have entered upon life's noble work, may we take an occasional peek into this volume and have the pleasant memories of our High School Days at Tidehaven brought anew to our minds.

It is our wish that each page of this book will serve to stimulate a happy thought in your memory, in the years to come.

The Annual Staff

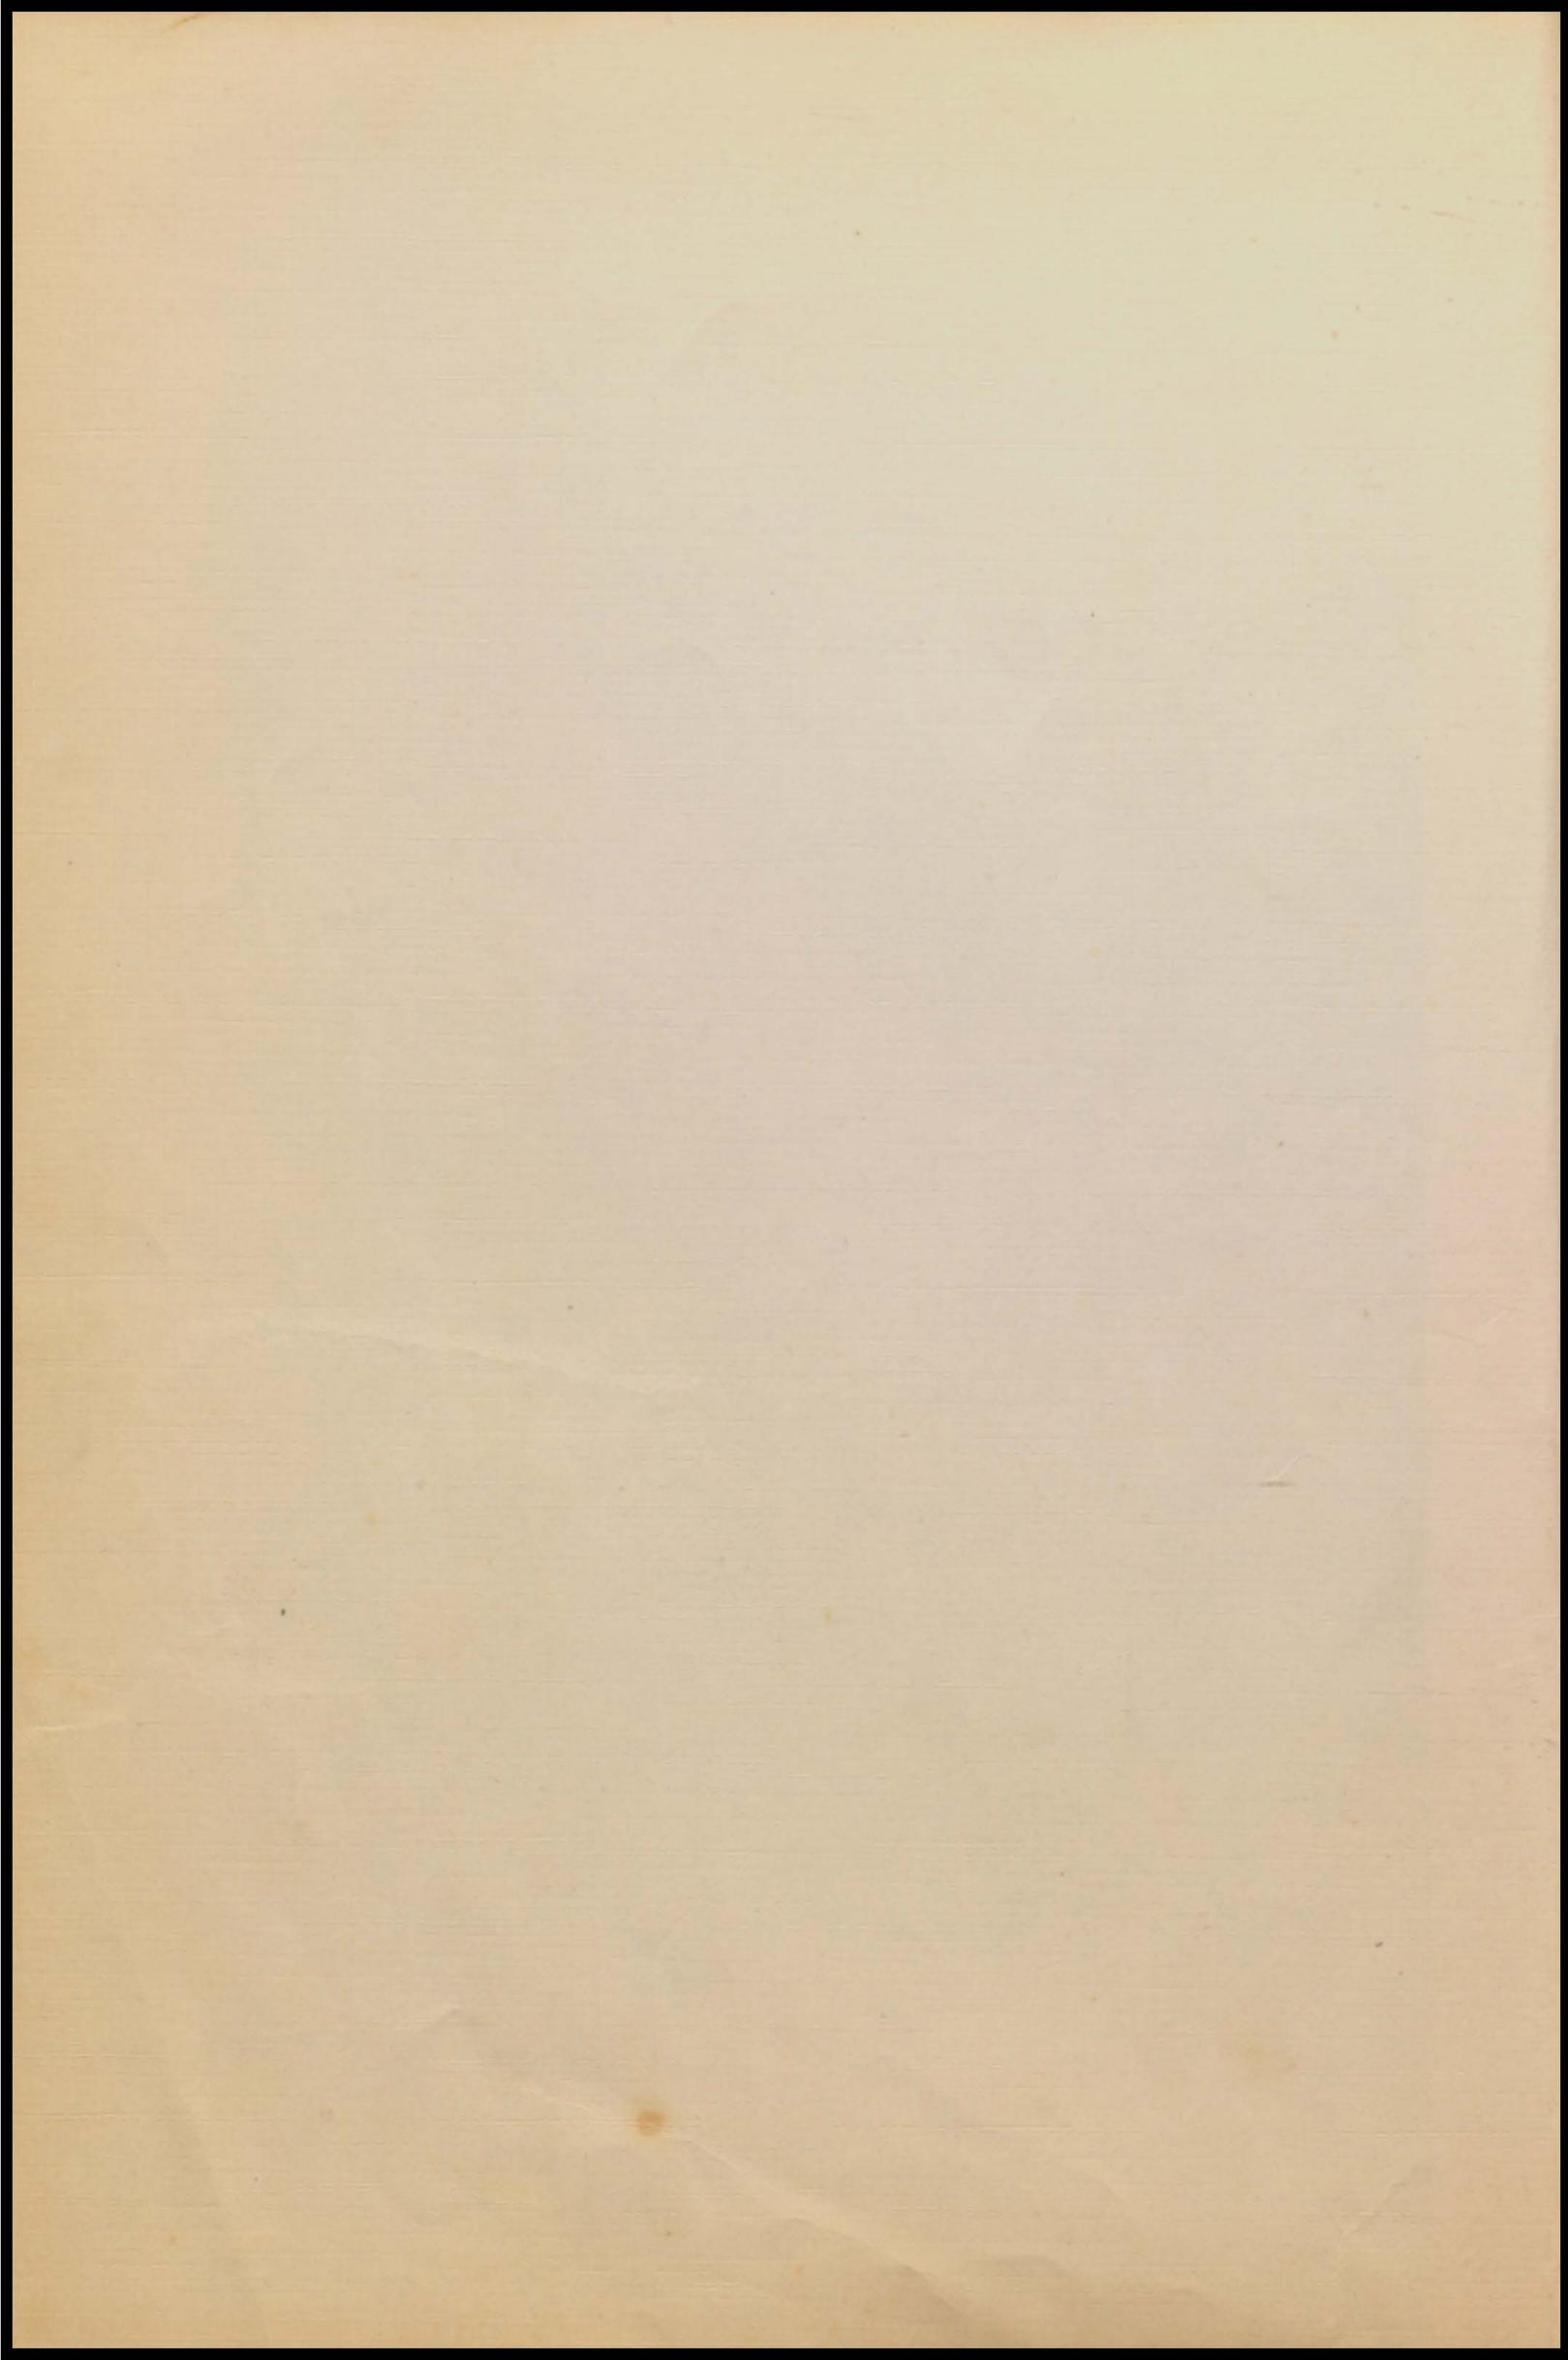

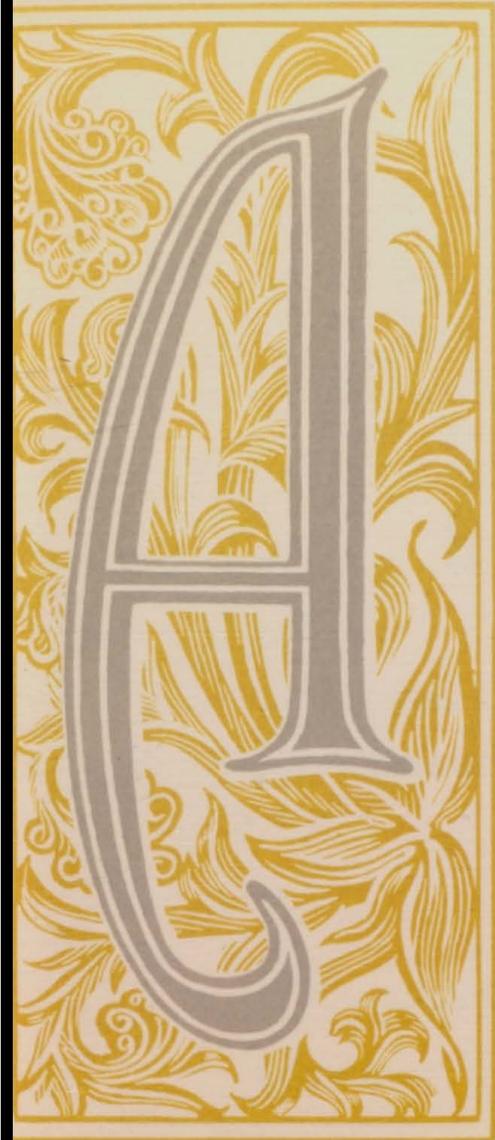

Dedication

To Robert "Sawdust" Thomas, high school janitor and companion to all students, we respectfully dedicate this first 1950 Tiger, with the best wishes from all.

Superintendent's Message

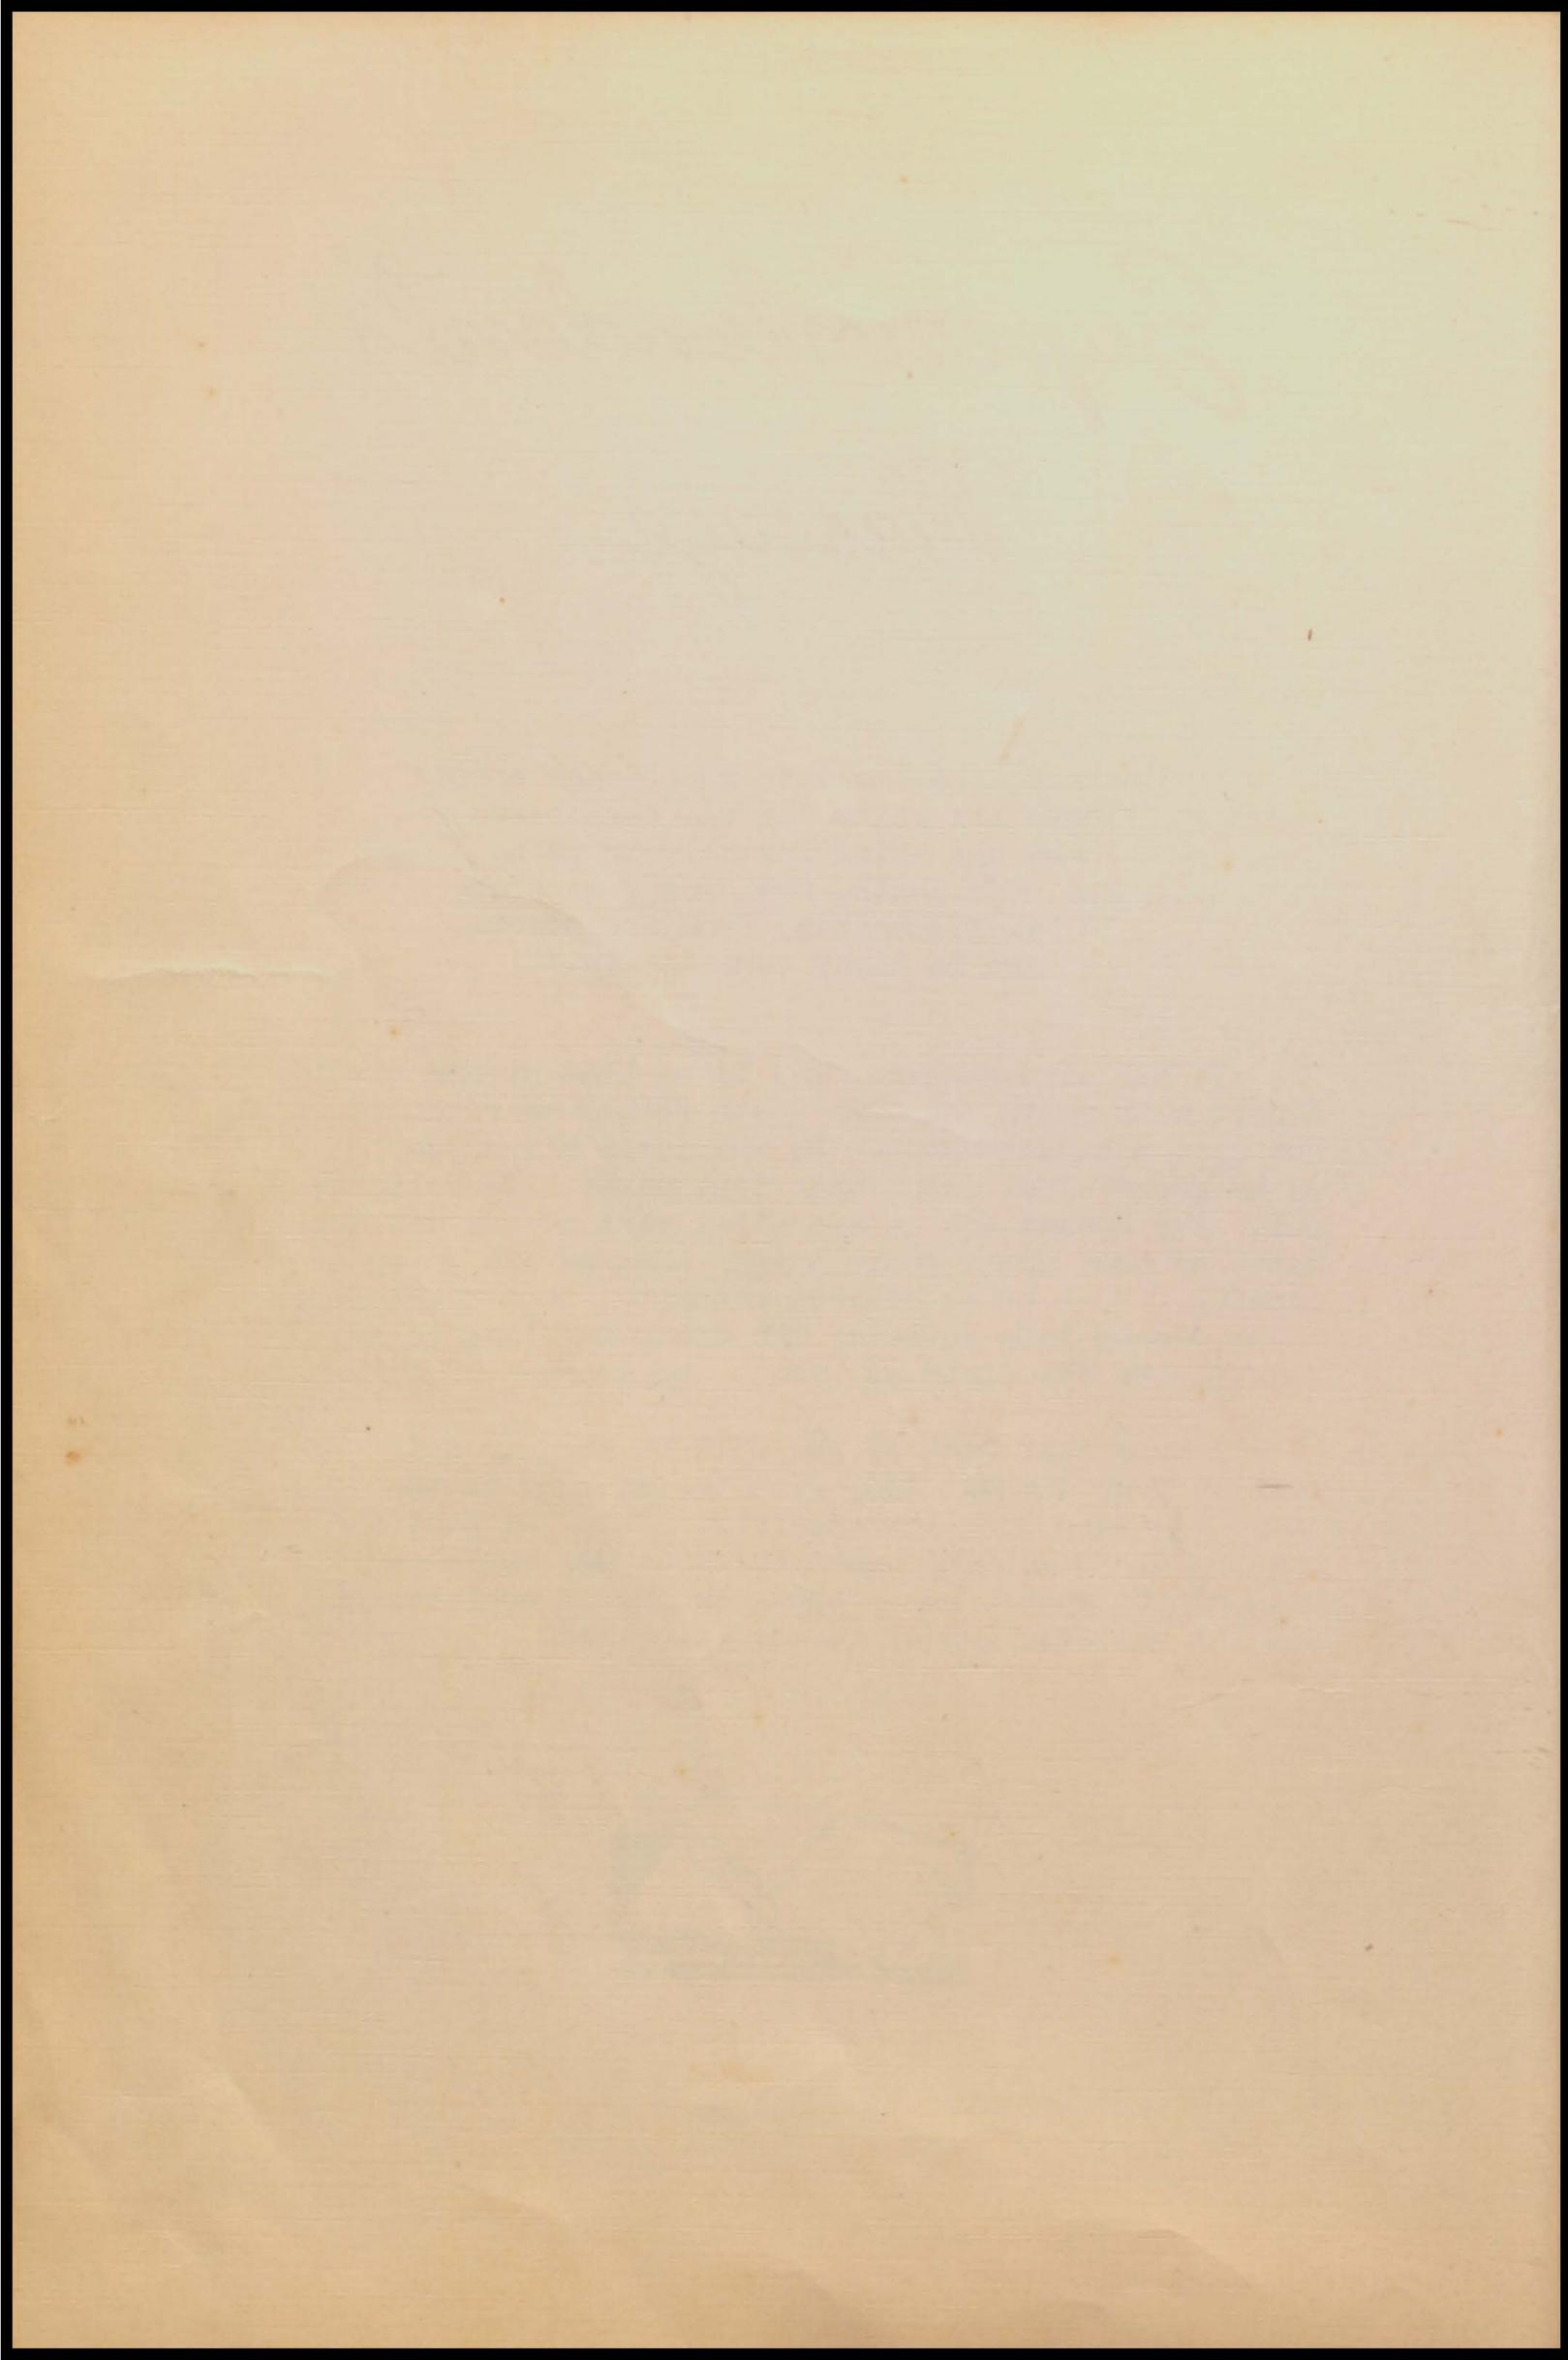

Stoddard, the American poet, once wrote:

"There are gains for all our losses,
There are balms for all our pain;
But when youth, the dream, departs,
It takes something from our hearts,
And it never comes again."

It has always seemed sad to me that dreams should depart with youth, or that youth should be regarded but as a pleasant dream. He who loses his dreams as he grows older loses much that makes life delightful. Our dreams are an essential part of our development; we must dream great things when we are young and hopeful. Then as we achieve maturity, we can translate those dreams into action. The dream and then to do constitutes the field of life's endeavor.

I hope that each of you will be able to hold fast to your dreams, and, with the passing of the years, to turn them into reality. Then the poet's feeling of "something beautiful that has vanished" will not be yours, but rather the joy of achievement and the satisfaction of ideals fulfilled.

BAND TRIPS

- "Are we going to carry all the flags?"
"What time do we leave?"
"Are we going to stay all night?"
"When do we eat?"
"Do we have to wear our hats?"
"How did we rate at Huntsville?"

"Where is Mr. Havlik?"
"When are we gonna get there?"
"Do I have to shine my shoes?"
"How long is the parade?"

WE ALL WONDER WHY

Some Senior girls can't seem to mind their own business.

Doris didn't want Mr. Nelson to hit the railroad tracks very hard while going through Alvin on Senior Day.

Betty K. couldn't sit down coming home from Galveston.

J. B. likes Palacios so much.

Tom Lee is such a gentleman.

Ellen is always having trouble with the teachers.
(Could it be that she is outspoken).

Loretta wanted to give Doris's yellow ribbon to Bugger on Senior Day.

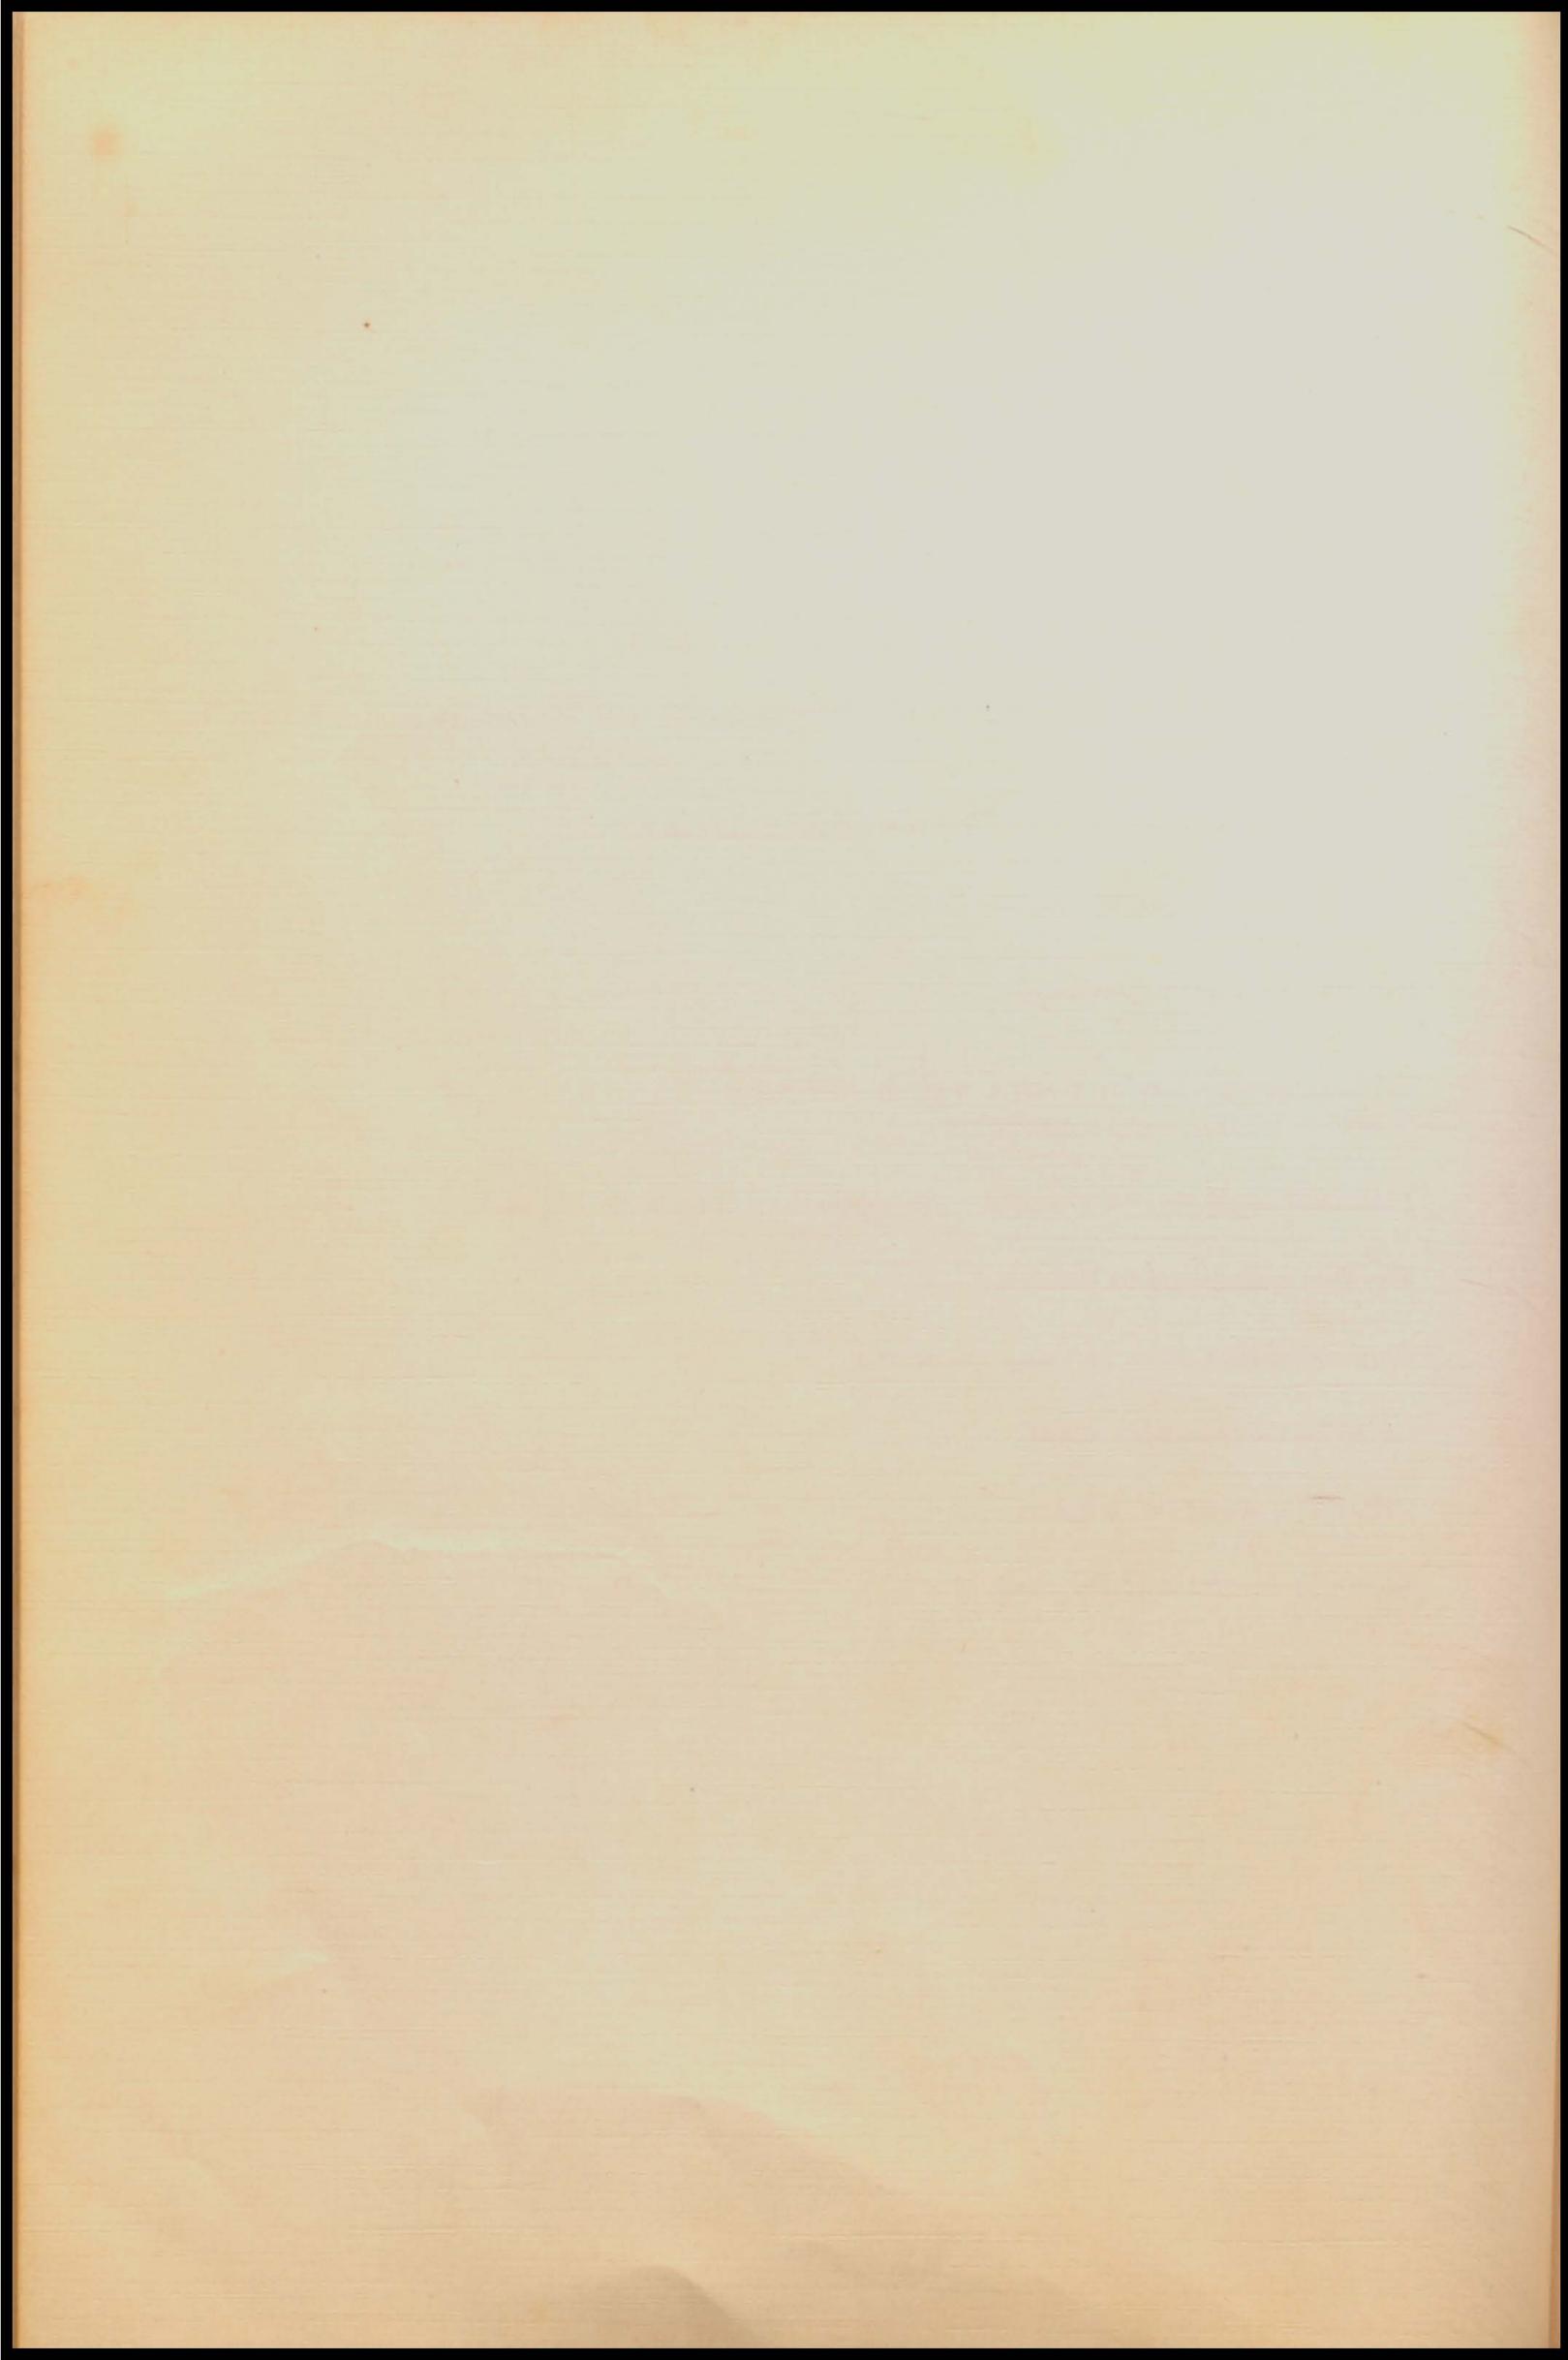

Why Dan quit going to Palacios.

Bernice Genzer asks so many questions.

Helen has a beautiful shape.

Mildred is always in a hurry.

Bosak is so afraid of the dark.

THE JUNIOR CLASS DAILY

EDITOR: Who do you think?
SOCIAL EDITOR: We'll never know!
SPORTS EDITOR: Hi Steppin' Jack.
ADVERTISING: "Traveling Pete"

Look at our front page:

Yes, they have been talking about a woman for president and they may have one within a year. Bernice Gaas announced that she would be a candidate for the Clabbereth nomination for president.

Dorothy Hickl's dreams have now become a reality as construction of the Shamrock Hotel "Jr." gets under way on Main Street in El Maton.

Lodger Hajmassey announced on his television show last night that Joan Whiddon would take his place during the summer.

Roy Smith, a very prospective photographer, is really busy snapping pictures around our old stomping grounds but he won't take anyones picture except Joan's.

Louise Svetlik has announced her latest plans. She is going to finish high school and then keep up a neat, little white hut for her hubby-to-be.

Farm and ranch:

Franklin Treumer left us and went west. But we are not surprised as farming and ranching was his desire. Franklin says, "Herding sheep and goats is a lot easier than typing."

Janette Lawhon finally made up her mind and now lives on a farm near Lickenmore. And if the Tidehaven Cafeteria wants to buy vegetables and taters, Janette says the deal is made.

Sports:

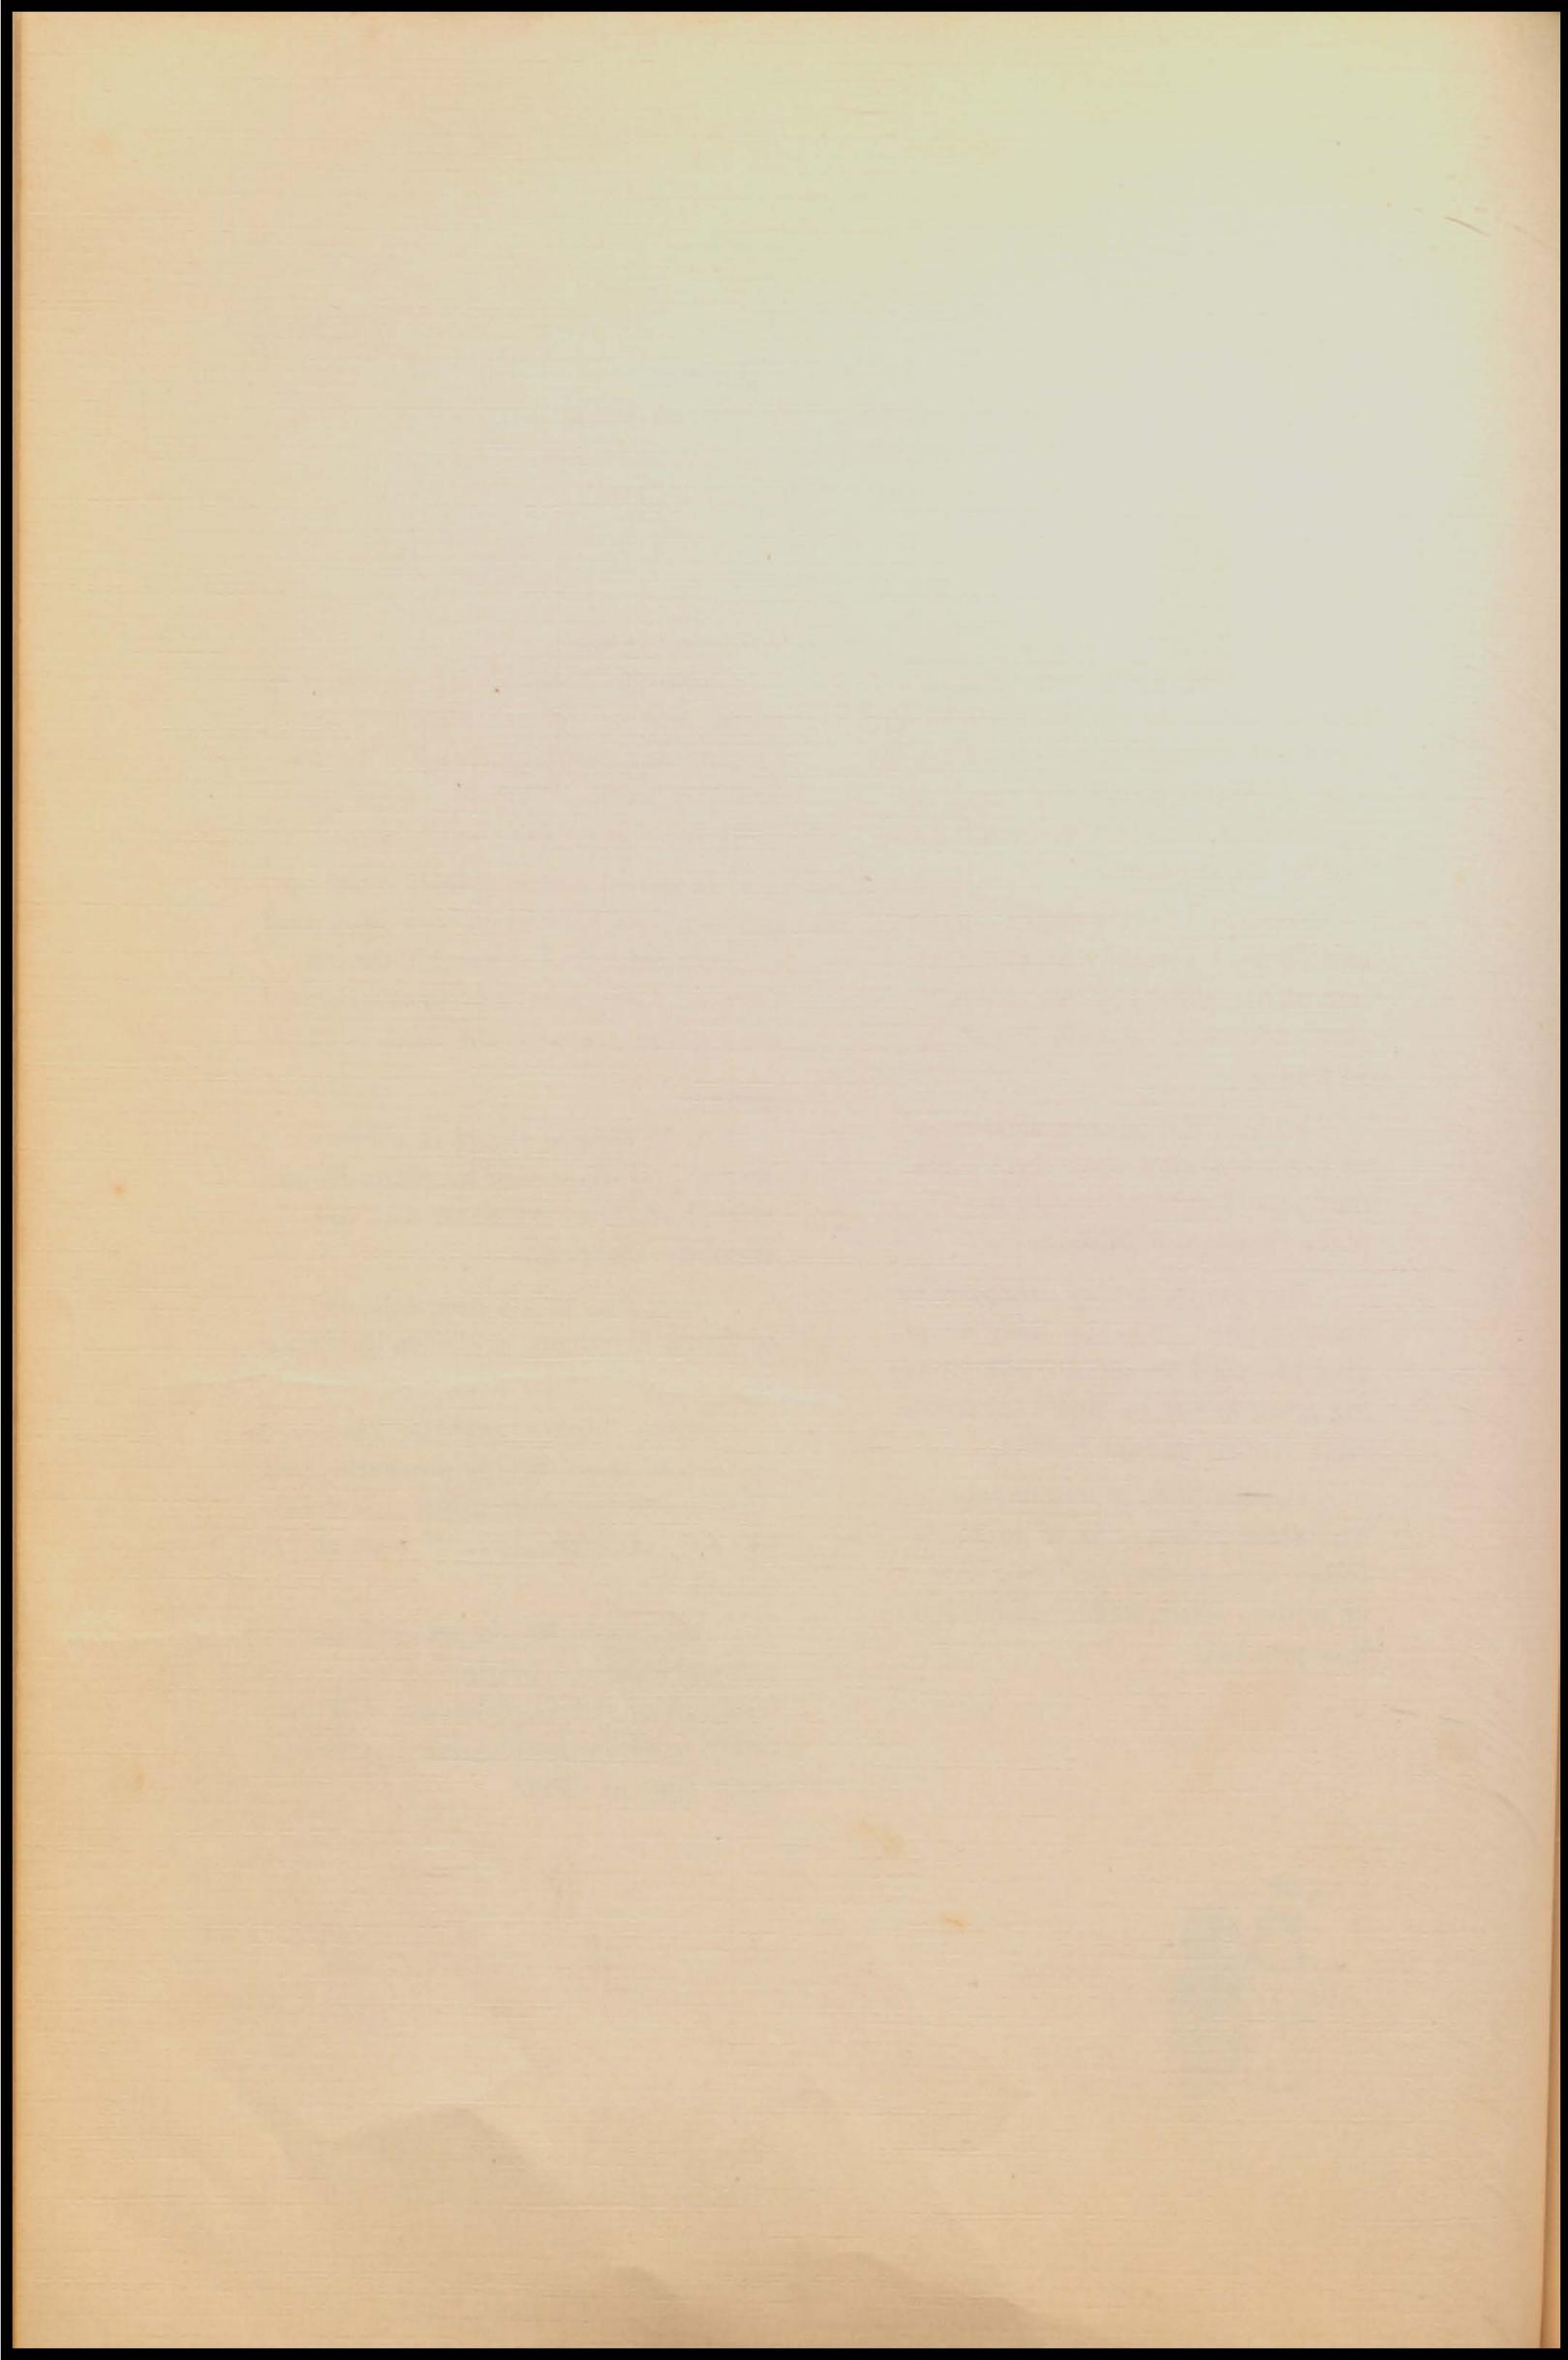

A. V. Bosak stated at a formal dinner last night that he plans to quit school and play baseball with the Brooklyn Dodgers.

Fred Day lost a five mile dash to Billie Cornman of Baylor University.

Wilma Shindler quit the Tidehaven volleyball team to play pro-volleyball. When interviewed by news reporters-- her only comment was, "I want to see action."

Her coach, Mr. Sweetbody has announced that Lucille Gonzales, America's leading swimmer, will be ready to swim the English channel in early June of 1950.

(Con't)

Woman's Page:

At a formal tea, the parents of Mary Alice Herman announced her engagement to James Garrison Fullilove of Los Angeles, California.

Annie Hickl gives her latest reports on summer fashions. "Girls, you are not in style unless you are wearing pantaloons and hoop skirts. They are strickly modern.

Lanita Buffalow is among the six bathing beauties who will compete for the Miss Texas title this summer at the Sugar Bowl swimming resort.

Love Lorn Column:

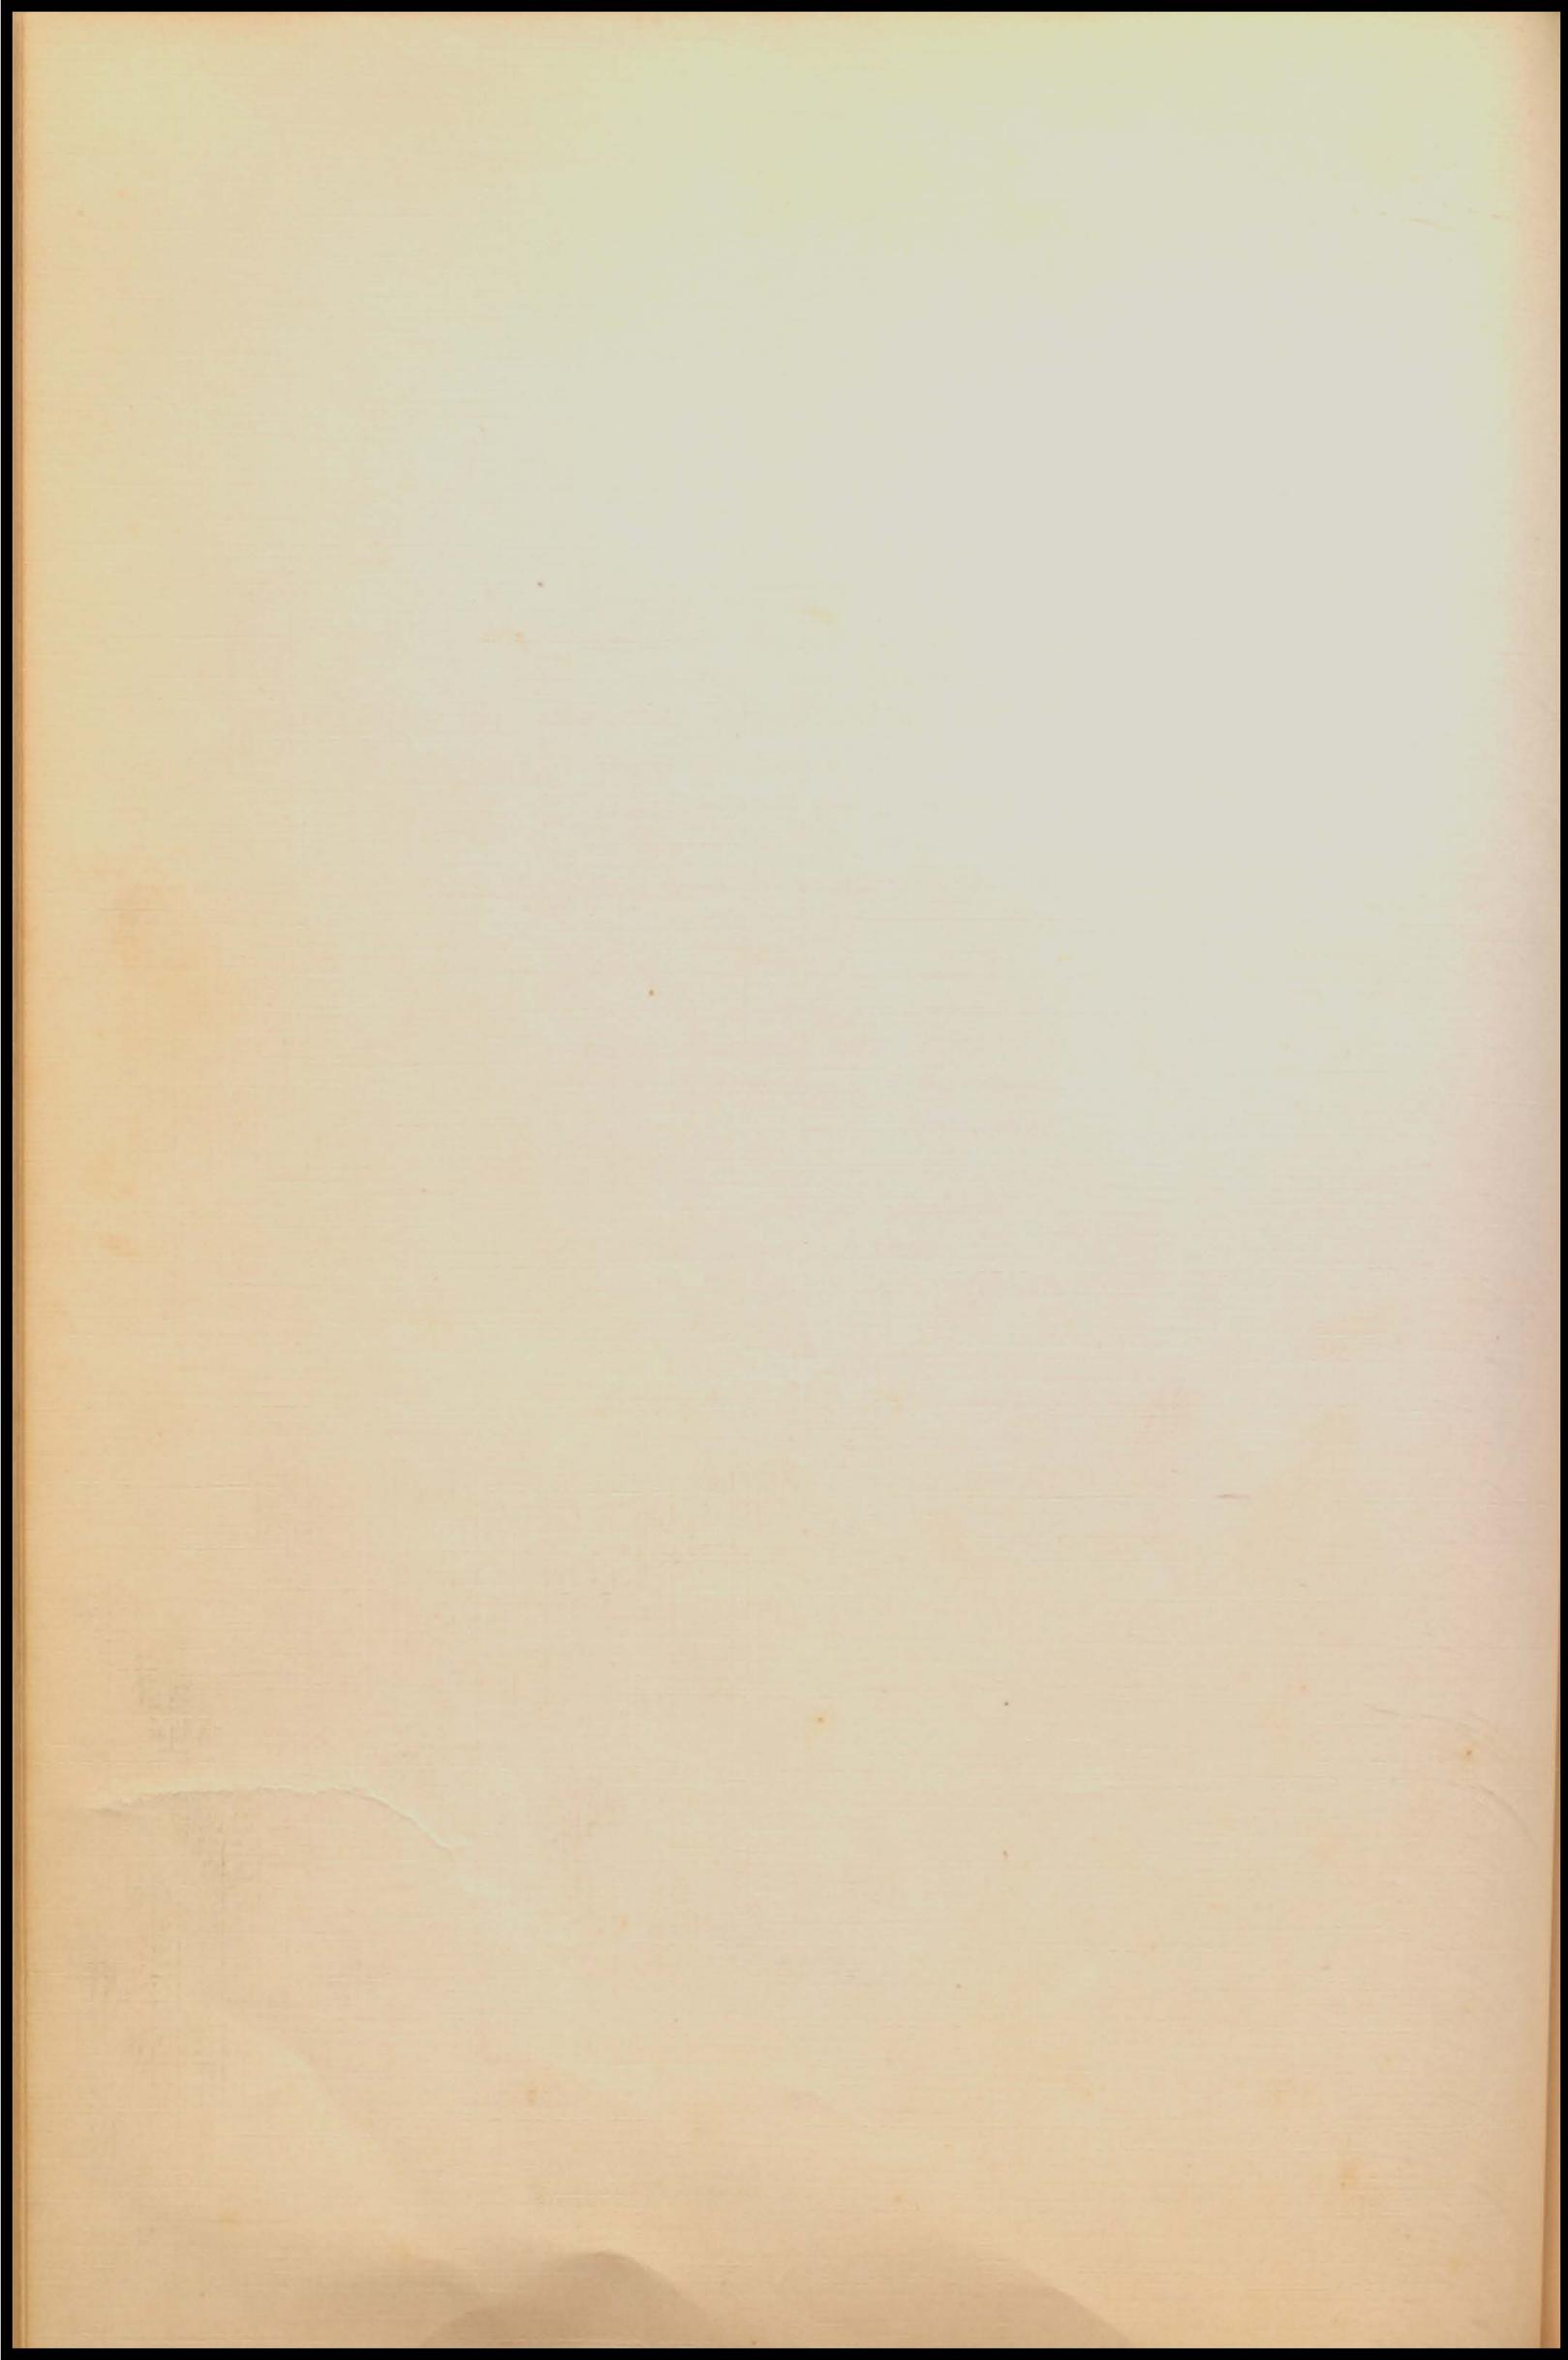

Dear Mr. Tinklestin:

Since you have been married five times, maybe you could give me some advice on how to propose an engagement to my one and only who is leaving me behind in high school. I am afraid that she will not wait and if she had a clear stone on her finger maybe it will help my dreams come true.

Unexperienced,
