Mr. T. Clarence Marshall  
Yorklyn, Delaware

Dear Clarence:

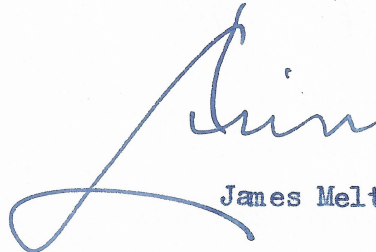

I intend to go to the Fall Meet at Derby.  
Is there any chance that you could run the 12-cylinder  
Packard that day, or must I come to your place to  
see it? I have only one day, and I would like to see  
it in action.

Please drop me a note at your earliest  
convenience.

It was nice to see you on the Tour, and we  
all think you are the world's best Squirrel!

With warm greetings,

Sincerely,

A large, stylized handwritten signature in blue ink, appearing to read "Jim".
