## Coach Built Electric

**T**HE Rauch & Lang is the only Coach Built Electric—the sole design conforming to high art standards—having harmonious contour—perfected scientific construction.

Ownership means unqualified assurance of service—of prestige—a result of sixty years leadership in coach building. No after regrets.

The Rauch & Lang is Worm Driven—(Top-Mounted—Straight-Type) the first Electric to offer successfully this advanced method of propulsion—Silence—No Adjustments—Longevity.

All the mileage you can use in a day—as fast as the law allows. *New models now being shipped.*

Dealers in all principal cities will gladly demonstrate. Catalog upon request.
