Formal education: Bachelor of Science in Textile Engineering from The Philadelphia College of Textiles and Science, now known as Philadelphia University. Business experience: The Adelman family bought a defunct Crowell Corporation in 1952, and given the challenge to bring it to life. Before the company was sold in 2010 it had as many as 140 employees operating in a 100,000 sq. ft. plant. We manufactured plain and reinforced gummed tapes as well as specialty packaging materials. I am the holder of 15 U.S. and foreign patents. Hobbies are photography, extensive travel, golf, and a lover of classical music, especially opera. Crowell has been the recipient of many awards, including the Governor's exporter award, Delaware's Blue Chip Enterprises, Hiring the Handicapped and others. I have been interested in photography since 1941, and has made an effort to make it into an artform. Has had an acceptance in the juried Prestigious International Exhibition of Photography. Has had a one man show at the Center for Creative Arts, and on 2 separate occasions one man shows at the Brandywine C.C. Has had many acceptances in juried contests at CCA. Have sold photos that are hanging in Tokyo, and in many homes and offices in the U.S.
