RE: Donation of Portrait

Dear Ms. McComb,

Please accept this donation of the portrait of Emma Thompson, who was the mother of Joan Thompson Knight, our first Old Island Restoration Foundation ("OIRF") President.

As you know from your role at Community Foundation of the Florida Keys, in doing so many wonderful things for nonprofits and across our local community, Mrs. Thompson too played a pivotal role in providing numerous contributions from which the community still benefits today.

We are honored to pass along this historical piece of art from our foundation to yours.

Sincerely,

Barb Span
