MEMO FROM THE DESK OF 2/13/2019

Ron Cold

Dear Andy,

Enclosed are some of the items we discussed in our recent phone conversation:

- photo of Capt. Francis Watlington (in protective Pitman photo envelope)
- picture of my brothers + me with portrait of the Captain in the History Miami museum
- A description of the portrait (source unknown)

Also included are copies of some old clippings, some of which you may have.

I will continue to search my archives for more significant items.

I look forward to meeting you. Keep in touch.

Best wishes, Ron Cold
