

ADOLF HITLER

MÜNCHEN, DEN

May 7 1945

Dear Dorothy, Webb and Bay: —

I thought you might enjoy a souvenir  
from Hitler's own apartment — I know  
it is from there because I took it  
from there myself —

Sorry I am so slow answering  
(over)

letters but are all right and we  
have been pretty busy at times —

Give my best regards to all —

Your brother,  
John
