"Happy
Easter"

Dear Dad, Sis & all:

Hope you folks haven't
been worrying any ^{about me} ~~about me~~, we're in reserve
now come back yesterday, or rather that's when
we got here, they made us run a 3 day
problem to get back here, & you talk about
climbing hills, we sure done our share of it.
How's everything back there, okay, I hope,
we've had pretty nice weather here, until yesterday
it rained, but to-day it's nice again, it should
be just ~~right~~ right back there now, trees
are green, wheat's coming up, man how

I long to be there, maybe I'll get out of here
this month & maybe next month, sure hope
to get out of here this month though, no
more times on the front, send me five.

Sis, have you heard from that man of yours
anymore, better get after him, next time you
write him tell him I said hello, & that I'd sure
like to have him here enjoying this nice vacation
with me, ~~that~~ say the way dad talks, that rusty
is getting onery as all heck, about now she
should be giving Sue & Jack a little trouble
shouldn't she. Well folks I'm not much of a
letter writer, so I'll close for now, maybe I can say
more, next time. Be good & be careful. 'Love & hugs'
Nate
