Fifth Army Song

*Not the first, not the second,
Not the third, not the fourth,
But the Fifth Army's
Where my heart is.*

*We landed in Salerno
And kept right on the go
As we fought our way
Through Napoli into Anzio
Mile by mile we've been soldiering
The hard way it seems
On the road leading to Rome
And without a single doubt
There'll be things to shout about
When the Fifth Army comes home.*

The Army Air Corps

*Off we go into the wild blue yonder,
Climbing high into the sun;
Here they come zooming to meet our thunder,
At 'em boys give 'em the gun!*

*Down we dive spouting our flame from under,
Off with one helluva roar!
We live in fame or go down in flame;
Nothing'll stop the Army Air Corps!*
