PARADE AT 5 P. M. MONDAY—KING ST.

ONDAY-KING ST.

Quick! At that first nasal irritation, sniffle or sneeze—just a few drops of Vicks Vapo-Rub in each nostril!

Instantly, the stinging, irritated feeling vanishes as the amazing drops go to work. Your head clears. Every breath is cool and delightful. And, usually, the life-threatening cold will trouble you no longer.

A cure of every 4 colds start in the nose and upper throat. Vapo-Rub goes right to the seat of the trouble—aiding Nature's own efforts to throw off the cold in its very first stage.

Even if the head is badly clogged (by a head-cold or nasal catarrh), Vapo-Rub spreads deep into the nasal passages, reduces swollen membranes, clears away clogging mucus, and lets you breathe again.

You will find Vapo-Rub convenient and easy to use—at any time, in any place. Keep a bottle handy at home and at work.

When VapoRub is Needed
If cold strikes without warning, or

gets by even the best defenses, if you need Vicks Vapo-Rub, the famous vaporizing ointment for relief of colds. These two companion products form the basis of the remarkable Vicks Plan for better Cough, Cold, and Sore Throat relief. See the page of VapoRub and Vapo-Rub.
