

Dr. Barnes - ~~Wetmore~~

Commander Kenner is in charge of the personnel for the Equatorial Islands. His office is in Solani Palace & Miss Katharine Lan is his secretary.

I understand that Kamehameha boys are still on the preferred list but hard to get as most of them are employed.

Applicants must fill out blanks which Miss Lan will supply. Shall I ask her for some or do you wish to write to Charles Hestace and ask him to

write for a blank. The next trip is scheduled for March 4 so there is no rush. If Charles H. plans to be in town he would do well to apply in person to Comm. Kenner.

We just have two graduates on the islands now. J. Kinney on Jarvis, & Kini Pea on Canton. Other former Kamehameha boys on the islands are: David Kalama, Louis Suarez, Alexander Robinson, Bernard Rake and Charlie Ahia.
