## NEW PRIEST ARRIVES

The Rev. Leo Taye arrived Thursday from California to join the Roman Catholic mission. Four other new priests are expected next month. Father Taye, a native of Belgium, has been in California for 16 years. He will be assigned to pasture on Oahu later.

When so good, so obviously a liquor whisky as V.A.T. 69 can be obtained at the usual price, it would indeed be flaunting providence not to take advantage of its bounty.

Soil Expert To  
Arrive July 30

Dr. Charles E. Kellogg, chief of the bureau of chemistry and soils, U.S. department of agriculture, with Mrs. Kellogg will arrive July 30 to inspect the local soil survey. Dr. Oscar C. Magland, director of the Hawaii agriculture experiment station, said today. The Kelloggs will be here about 10 days.

The soil survey of the Big Island is nearing completion, Dr. Magland said. The research there is being done by Z. Foster and two local assistants. L. Beckwith Smith recently resigned from the survey to join the HSPA experiment station.

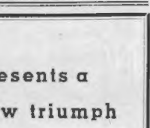

Probably in about two months when the Hawaii program is completed other principal islands will be surveyed.

LARGE SCORES ARE  
FEATURE OF GAMES  
IN KAHUKU LEAGUE

(Special Star-Bulletin Correspondence) KAHUKU, Oahu, July 22.—Big scores and upsets featured the opening of the Kahuku Plantation Co.'s softball league which got underway Saturday and Sunday.

In the junior division the Wai-ale school lads invaded Kahuku and defeated the Camp 5 team, 26-3. The Gardeners took the measures of the Farmers, 13-7, while the New Camp won from the hands of the stubborn Commonwealth Band, the score being 14-9. In the best game of the day the Waimanua coached by Wally Forsythe, former McKinley high school athlete, eked out a close 4-4 verdict from the hands of the Visayas.

Closer scores were turned out by the teams playing in the senior division. The Inside Dept. tutored by Dan Vincent came through as expected by trouncing the strong All Fils by the score of 8-4. The

presents a  
new triumph
