

Howland Island
Dec. 1, 1935

Dr. James F. Barnes,

Ilokauni loa.

We received your letters
and also the great big
beautiful package sent to
us by our dear and most
thoughtful friend Miss Van
Aiken. We received letters

and other packages from
Mr. Donald D. Mitchell too.

The Kinkajou arrived
at about eleven o'clock last
night, but no one came
ashore until daybreak today.

We are very happy to-day
especially when receiving letters
and packages and newspapers
too.

Please thank Mr. Hudson for
his kindness in sending us
newspaper articles and the Kamo.

Killamney and I received
our checks and have en-
dorsed it.

We will appreciate it very
much if you will place
them as deposits in our ^{savings} account.

We are in good health and hope
the same of you and the Kamehameha
faculty and students.

Sincerely

James C. Kamekaini Jr.

NJB.
