IUNIORS WILL ATTEND HEALTH CONFERENCE

Class Divided Into Two Groups by Miss Frellson, Nurse at K. S. G.

The A division of the junior class has been divided into two groups in order that each group will make a trip each week to various health conferences in town. Girls who will go to the clinics on Wednesdays are Isabella Aiona, Ruth Crowell, Emma Macy, Katherine Haake, Winona Kanahele and Margaret Miller, driver.

The B division will have classes on mothercraft from Miss Frellson, nurse of the school for girls. The girls who are taking mothercraft are Burkett, Lucille Barringer, a Carroll, Hermine Dreier, Minerva Carroll, Hermine Dreier, Eleanor Horswill, Gertrude Kamakau, Rose Pearle Kinslea, Janet Kelii, Mildred Medeiros, Leilani Lee, Allane Paris, Catherine Sims, Leilehua

Toomey, and Beatrice Vasconcellos.
At the end of the second semesthe two divisions will change. Division A will take mothercraft while division B will visit the con-

HOPKINS, K.S.G. GRAD, SPEAKS TO STUDENTS ON COLLEGE TRAINING

"College life is no matter of a series of rah rahs," said Janet Hop-kins at assembly at the K. S. G.

Janet Hopkins is a graduate from Kamehameha and is attending Mills college in Oakland, Calif. She is here on vacation and plans to return to school to finish her senior year.

"You don't realize how much you are going to miss Kamehameha, until you actually go away," said Miss Hopkins.

The subject which she tried to inpress the girls was of the advantages of attending college on the mainland. Hawaii needs educated young people, and she highly recommends the girls to continue their education when graduating from

Many students have the wrong idea of college. But one must use the steamroller of his ambition to smooth out the difficulties of his studies.

When one leaves Honolulu, can carry away with him in his memory, the history of Hawaii, music of his native land and the beauty of nature and tell mainlanders about these and in return he will learn about their country. Many students after finishing will

high school long to go on to college but are disappointed, because they cannot afford the expense. So be wise and start saving. One will be surprised to find out at the end that he has a fairly large sum of money to start out his college life.

So after listening to Miss Hopkins, the girls understood what she her statement, life is no matter of a series of rah rahs, but means lots of hard work and studies."

Ray Kinney's Son Is First Blue Eyed Baby For Senior Cottage

The present senior class has the opportunity to have the first blond-haired and blue-eyed baby in Kamehameha School for Girls. Rankin Lemon Kinney, the baby of the senior practice cottage, is the son of the famous composer and singer of Hawaiian songs in Honolulu, Ray Kinney. Rankin Kinney, who is four weeks old, will come to the senior cottage on Monday, September 16. Dorothy Kahananui, who will be the baby director, has been very anxious to begin her duties and take care of the new baby.

The baby's room will be redecor-

ated by the home management class. Pictures suitable for a nursery will be painted on the furniture and also some framed baby pictures will be hung on the walls. A new bed cover cushions and rugs will be put

in the room by the class.
Paper for the kitchen shelves is to linoleum block printed designs. Cushions are also being made by the home management class for the davenport in the cottage living room. A lauhala basket will be woven for the fire wood by the class.

LOW-ELEVENTH CLASS SELECTS CHOICE SONG

"Lei Awapuhi" was chosen as their choice song by the low-eleven class for the annual song contest. The song was suggested by Samuel Kahalewai. Richard Hubbell was chosen as song leader for the class and Mrs. Martha Poepoe Hohu as song adviser and teacher.

FIVE CHOSEN TO CARE FOR RABBITS AT K. S. B.

Five boys of the tenth grade agriculture shop will take care of the rabbits. Two boys will feed the rabbits for one week while the remaining three boys feed the following week. The five agriculture boys are William Daniels, Walter Chang, William Daniels, Walter Chang Ernest Amona, Joseph Hao and Wil-

3oys Take Vacation Traveling in Fords Of Ancient Vintage

Model "T" Ford is a car very highly prized by the Kamehameha

During our model "T" rotions in the garage. (Wimpy) Wilmington bought a codel "T" coupe, Frederick Lee model "T" roadster, Akinght a mode During the past summer vacation, our model "T" Fords lost their sta-Kini Levi Pea Jr. bought a model "T" touring, and another model "T" touring was bought and paid for by company of four boys composed of Louis Suares, Matthew Lee Loy, Manuel Sproat, and Arthur Harris. These boys, joined as a group, went ight-seeing in their car around the isfand.

Mr. Lowrie Talks on Camping Trip in the California Mountains

Sixty-five million hours of labo will be required to build the San Francisco-Oakland bridge. Robert H. Lowrie was the first faculty speaker at the school for boys this year. Mr. Lowrie spoke on the different happenings on his summer vacation. He described his trip in the mountains in California. He spoke of how the birds sang, tree and flowers were in bloom and for the first time he saw snow plants. Mr Lowrie also said how easy it was to make friends in the woods. When meeting a person in the woods one would not need to be afraid of a holdup as one would expect when a person comes up to anyone in the middle of the city. He also compar-ed the electric plant of Honolulu with the one in California. The plant in Honolulu was seven hunin California. The dred pounds pressure per square inch compared with twelve hundred pound pressure per square inch in California.

Mr. Lowrie told the boys about the San Francisco-Oakland bridge. This bridge will be the largest the world when completed. Mr. Lowrie had the privilege of walking as far as he wanted to on the cat

Named Supervisors Of Hen Department

The low-eleventh agriculture shop over some siven the privilege to care for the poultry shop. There are six 'ow eleven boys in the shop. The boys are as follows: John Akima, Clarence Braun, Richard Hubbell, William Hutchinson, Samuel Kahale-wai and David Kalama. wai and David Kalama.

Mr. James Gilbert, agriculture instructor, has divided the class into two groups. The first group will care the chickens during the first week and the second group the next week. He has taught the boys the right amount of feed to give to the

BOYS AID IN PLANTING OF PALM AT DORM D

The boys of Dormitory D were all trying to solve a mystery recently. When the boys of the dormitory

awoke they found a palm tree growing by the side of the dormitory.

The palm tree was brought from the old school on Ben Hur's truck. The work squad of Dormitory D planted it between Lanai L and Dormitory D. The boys who helped plant the palm tree are as follows: Kahalewai, Irving Maby, Edward Holt, Walter Chang and their dor-mitory master, Mr. Daniel Stone.

FOUR NEW FACULTY MEMBERS TO ASSIST STUDENTS AT BOYS' SCHOOL

been added to the faculty staff at the school for boys this September. The faculty members have various positions in the school. The instructors are in the order named:

Mr. Karl K. Cooperrider is to be instructor in music and English. He attended school in California and received his bachelor of arts degree from the University of California; since graduation he has taught in the high schools of Berkeley and Oakland, Cal., and has had experience in directing glee clubs, operettas, and other dramatic work. He is a member of Alpha Mu.

Dr. Paul E. Baker comes to Kamehameha for one year as substitute chaplain, taking the place of Mr. Withington who is relieving Dr. J. L. Dunstan for one year at Central Union church. Dr. Baker is a graduate of Trinity university, where he received his A. B.; he at-McCormick Seminary and tended Union Seminary for his theological work; and both his M. A. and Ph. were granted by Columbia university. Since graduation Dr. Baker has been minister of the Morningside Presbyterian church at New York; chaplain and director of religion and teacher of religion at Fisle university; general secretary of the Harlem League; and for the past five years has been minister of the Lincoln Paul Community church at Yonkers, N. Y. Dr. Baker has travel-ed considerable in Mexico, Central America, and Europe; he is interested in various sports; and he has is a member of written various articles or religious. Phi Delta Kappa.

Four new faculty members have and educational journals in addi-een added to the faculty staff at tion to a book, "Negro-White Ad-ne school for boys this September. Justment," which was published by

the Association Press in 1934. Mr. Russel W. West is joining the boys' school as instructor of art. This subject has not heretofore been part of the curriculum at the boys school. Mr. West attended school in Massachusetts and received his degree from the Massachusetts School of Art and did additional work at the Paris branch of the New York School of Fine and Applied Art.

Mr. William B. Sievers will be instructor in English and music. is a graduate of the Jefferson high school at Portland, Ore., and re-ceived his bachelor of science degree from the University of Oregon Mr. Sievers has taught in the high schools in Oregon; has had much experience directing school and community choruses and glee clubs, quartets, etc.; has directed several operettas; and for several years has done professional work in music. Mr. Sievers is a member of Signa Alpha Epsilon.

Mr. James C. Gilbert is to have charge of the agriculture shop. Mr. Gilbert received his bachelor of arts from Pomona college; his master of arts degree was granted to him from the University of Southern California; and has done special work in agriculture at the University of Hawaii; his teaching experience was secured in California. He is a member of Alpha Delta and

SCHOLARSHIP RECEIVED BY FORTY-FOUR PUPILS

Some Students Are Granted Half and Others Full Rating

Forty-four boys have been granted scholarships for the first semester. The following boys have full scholarships: Francis Colburn, Samuel Werner, Arthur Chang, Joseph Mc-Cabe, Victor Boyd, Howard Choy, John Kaina, Arthur Irvine, James Puu, Wilfred Lee, Nelson Robin-son, Kenneth Warner, Fred Melin, Joseph Chun, Raymond Lutz, Solomon Williams, Joshua Wood, Samuel Kalama, and Henry Ohumukini.

The following boys were granted half scholarships: Bernhardt Alama, Alexander Cheong, George Godick, John Kaina, Charles Robinson, Benedict Alama, Charles Robinson, Benedict Alama, Charles Brown, Albert dict Awana, Francis Brown, Albert Johnson, William Sims, James Sims, James Ahue, James Blevins, Auvern Ernst, George Irvine, David Kaaihue, Isaac Kaopua, Theodore Wilcox, Isaac Ahue, Harry Harris, James Naehu, John Naone, David White, Levi Pea, and Francis Kauka.

GIRL SCOUTS ELECTED TO VARIOUS POSITIONS

The captain of the Girl Scouts troop one is Miss Mary Wallace. Audrey Robinson has been chosen to be first lieutenant and Stella Kaaua as second lieutenant. The other officers are: Secretary and scribe, Evelyn Dias; treasurer, Ululani Weight; song leader, Stella Kaaua; color bearers, Mina Baker and Anna Duvauchelle; patrol leaders, Georgiana Bishaw, Lily Wilson, Katherine Sakuma, Isabella Aiona.

The Kamehameha scout troop was the first troop to be seen to be se

the first troop to be organized in the Hawaiian Islands.

There is much to scouting. The outstanding thing in scouting is working for merit badges. The highest award in scouting is the Golden Eaglet pin.

RILL DING UNDER REPAIR ON CAMPUS AT K.S.B.

The Paki building of the Bishop Museum is now under repair. Work-men are replastering the outside of the building, which is located at the rear part of the Bishop Museum near the tennis court. Nine men are now working on the building. They expect to be finished a month

FORMER BOYS' SCHOOL FACULTY DIES ON TRIP

Mr. Charles Crozier, 71, of Honolulu, and once a member of the faculty of Kamehameha School for Boys, died this summer on the Lurenroute home from a six-hs' tour. Mr. Crozier taught months' here for five years, 1923 to 1925 and 1929 to 1931. He took charge of the forge shop. Heart trouble, it is believed, was the cause of death.

BACK GEARED SCREWS BOUGHT FOR BOYS' SHOP

The machine shop has acquired two new back geared screw cutting engine lathes. They are Southbend and were made in Southbend, Ind., by the Southbend Lathe company They were purchased from the local firm of H. S. Gray. They are nine-inch lathes with 3-foot beds and came here crated practically ready

CATHERINE SIMS GIRL RESERVE DELEGATE AT ASILOMAR CONFAB

Catherine Sims, a member of the junior class, chosen to represent the ence this past summer, returned on August 28, aboard the Monterey.

This vacation has been the most exciting summer vacation I have ever had," said Catherine, as she seated herself comfortably on her bed, ready for an interview.

"Asilomar is a beautiful place well surrounded with pine trees.
There were about 242 girls and instructors attending the conference nine of us from the islands. We had discussion groups every morning, and forum clubs following them. While there for a week, new friend-ships were made."

Following the conference, which closed July 8, Catherine spent the rest of her vacation in Berkeley and Oakland, most of the time with friends and relatives. She also made

a trip to Yosemite National Park.

"I liked what I saw in California very much and I hope some day to go back there again," she concluded.

K. S. G. SOPHS LARGEST IN COMMERCIAL CLASS

The sophomore class has the honor of having the largest commercial class in the history of the school for girls. The girls that are taking the commercial course are as follows: Mae Spencer, Agnes McNabb, Helene Cathcart, Louise Kauaihilo, Elizabeth Akana, Wynona Kaiama, Evelyn Rabidieu, Caroline Hubbell, and Maude Conant.

Those who are taking the general course are as follows: Mabel Hitch-cock, Barbara Leith, Frances Afat, Helen Naumu, Idamae Sims, Juanita Supe, Thelma Haia, Florence Spahn, Bernice Mundon, and Anita Thomp-

Lilinoe Wilson, Margaret Clarke, Nora Stewart, Evelyn Dias, Sarah school and others preferring to leave Henrickson, Margaret Dunn, and the islands are expected to be back

LOW ELEVENTH CLASS ASSIGNED TO SHOPS

Ninth, Tenth Grade Boys on 12-Week Trial for Future Selection and Part-Time Employment

The low-eleventh class boys have been assigned to their shops. Here is a list of the boys and the shops they are in:

Electric shop—Arthur Swift, Harry Harris, John Fitzgerald, James Naehu and George Kekauoha.

Auto mechanic shop Todd, John Akana, and Joseph Akim. Forging and engineering shop — Walters Eli, Isaac Ahue, Clarence Branco, Joshua Wood, Raymond Lutz, and Robert Colburn. Clarence Raymond

Machine shop—George Akana, John Allen, John Naone, Solomon Williams, and David White.

Agriculture shop—David Kalama, William Hutchinson, Richard Hub-bell, Clarence Braun, Samuel Kahale-

i, and John Akima. Carpenter shop—Mitchell Pei. While in the ninth and tenth grades these boys are given a trial for 12 weeks in each of the shops. Then Dr. Homer F. Barnes, principal, together with the shop in-structors, decide what shops the boys are to be in. The boys also have a chance to state what shops they would like to have the

following year. Chances for employment is one the factors that the boys consider in selecting shops.

Twelve Kam People Are Inhabitants of Islands on Equator

Four students of the Kamehameha School for Boys and eight graduates are living on a few islands which are near the equator belt. The boys are William Toomey, William are William Toomey, William Anahu, Archie Ching, and Samuel K. Kalama. The first three are to be seniors this year and the latter is a high-eleventh student. The rest of the boys are James Kamakaiwi, Killarney Opiopio, Henry Ahia, Daniel Toomey, Frank Cockett, George West, Abraham Pilanaia, and William Kaina, graduates of Kamehameha. hameha.

These boys are kept busy every day making out hourly weather reports and at night weather reports every three hours. They also collect various specimens for the Bishop Museum. They are also colonizing these islands for the United States.

These boys are paid three dollars a day. The food and water are supplied, including lots of canned poi. Since there is no need to spend any money, what they earn is all net profit.

The islands they live on are 1800 miles from the Hawaiian Islands. Howland Island and Baker Island are about three miles apart, while Jarvis Island is about a 1000 miles away from them. These islands are most-

ly barren.
Each island is colonized with four boys. Henry Ahia (leader), Daniel Toomey, Frank Cockett, and George West are living on Jarvis Island. The boys on Howland Island are James Kamakaiwi (leader), Killarney Opio-pio, William Anahu, and William Toomey. The boys staying at Baker Island are Abraham Piianaia (leader), William Kaina, Archie Ching, and William Kaina, Samuel Kalama.

Henry Ahia, Daniel Toomey, James Kamakaiwi, Killarney Opiopio, Abraham Pilania, and William Kaina arrived at the islands sometime in the earlier part of April, while rest of the boys came later in June on the same boat that the first party travelled. Mr. Donald Mitchell, a faculty member at Kamehameha, also accompanied these boys but returned to school.

The boys who still have to attend

THREE NEW FACULTY AT K. S. G. TO PARTICIPATE IN GUIDING STUDENTS

new faculty members of the Kamehameha School for Girls, comes from New England.

Previous to her trip here, she at-

tended Tufts college which is near Boston, and is a co-educational college. After attending Tufts college she then had a year at Columbia University where she took typing, shorthand and secretarial work. After completing her course there, she was

"I always wanted to come to the Islands and I like it very much," said Miss Nylund. "I had a lovely trip over and I had to pass through the Canadian Rockies which still had a little snow left on the top, the last I shall see until I return home. The most pleasant part of the trip was the arrival at Honolulu which

thought very colorful and lovely."

Miss Nylund is taking charge of the commercial department and classes while Miss Catlin is on tour

around the world.

Miss Ula Baker is now the new history teacher, taking Miss Gertrude Bolton's place. Miss Baker had a warm welcome when she arrived and been most cordial, kind, and help-everyone has been very friendly and ful," said Miss Frellson.

Miss Laimi Nylund, one of the has made her feel at home. During

has made her feel at home. During the summer vacation she studied at the Columbia University.

"Kamehameha school teachers have told me of the beauty of Kamehameha school, but it was beyond expectations," said Miss Baker. Miss Lydia Francesa Frellson, the new nurse and instructor of health education at K. S. C. was here in

education at K. S. G., was born in Illinois. She attended Oberlin college in Oberlin, Ohio, where she received an A.B. degree. Later she took her nurser's training at the University of California Hospital in San Franof California Hospital in San Francisco. Following graduation from the University of California Hospital she remained on the nursing staff as supervisor of the medical wards. Other positions she has held are night supervisor of Peralta Hospital Oakland, assistant superintendant of nurses at the City and County Hospital in San Francisco and most recently chief nurse at Peralta Hos-

pital, Oakland. "I find the islands as attractive as they were described to me. The view trom the infirmary kitchen is particularly entrancing. Everyone has
