

**FLORIDA FEDERATION OF GARDEN CLUBS, INC.
JUNIOR GARDEN CLUB REGISTRATION FORM**

Barbara (Bobbi) Jones, Chairman
17940 Gulf Blvd., #3-E
Redington Shores, FL 33708-1154 (727) 393-7926

Junior Garden Clubs are composed of children in Kindergarten to 5/6th grade. Ecotot clubs are composed of children in pre-school through kindergarten. Each club has a minimum of four children, meeting seven times a year. A "Youth Manual," a book designed to help youth leaders plan their club year includes information on the many related programs offered by FFGC. To receive this manual if you are a new club, please mark the space below and the junior gardener chairman will send one to your group. This book is also on sale at FFGC Headquarters. All junior and Ecotot groups must re-register each year with state and district junior chairmen. Suggested programs include birds, butterflies, horticulture, civic projects, litter control, nature study and participation in flower shows.

If this is a new group and needs a Youth Manual, please check here. _____
