Dear Edna:

I regretfully resign from the 2005-2006 position of 2nd Vice President for The Upper Keys Garden Club. It's January, but I haven't been able to make it to one meeting yet. I've either been heading off to San Francisco for family health issues or driving to Gainesville. I don't see that this will change any time soon.

I left you voicemail, but I'll try again.

Please accept my apologies for this situation.

Sincerely,

A handwritten signature in cursive script that reads "Nancy Klokke". The signature is fluid and stylized, with the first name "Nancy" and last name "Klokke" clearly distinguishable.
