Julie Mead, Jerri Grossman and Evelyn McGlone are spearheading the Upper Keys Garden Club's annual Garden Walk, scheduled for 10 a.m. to 4 p.m. Feb. 27. Eight gardens will be featured.

ARCHAEOLOGY LESSON

DR. BRIAN MAGRANE/Contributed

Boy Scouts from Islamorada Troop 914 were given a lecture recently about underwater archaeology by Ian Koblick, owner of Marine Resources Development Foundation in Key Largo. He reviewed shipwrecks he has worked on in Spain, Sicily and Malta using side scanning radar. The highlight of the evening was watching a Remote Operated Vehicle work in the lagoon at Jules Undersea Lodge in Key Largo.
