Thank you for the opportunity to have information about our club made public. Please publish the following information:

The Upper Keys Garden Club is located at mm 94 Bayside and meets monthly on the third Tuesday of each month at 11:30 AM from September through May. Volunteers decorate for our luncheon meetings and bring food. We are fortunate to have our own property and house at the Francis Tracy Garden Center which was donated to our organization in 1964. We recently opened a time capsule which was cemented into the cornerstone of our building and will add current additional information and reinstall the time capsule on February 23, 2007. We have an energetic, fun group of ladies who meet to hear interesting speakers on orchids, flower arranging, growing bananas, and almost any other topic on gardening in south Florida. We also have a few field trips each year. Our annual Garden Walk is being held February 23, 2007. In November we hold our annual Plant Ramble. For additional, call Mary Nelson at 451-9316 or Edna Waldorf at 451-3753. We are accepting new members. Our membership chairman is Chris Childree 853-9315.

Mary -- I'm a freelance writer, working on an article about container gardening, and I want to list all of the Keys garden clubs. Could you get me some info on the Upper Keys club, such as when meetings are held and who to contact? Here's what I have on the Key West and Marathon clubs. Please e-mail me with any similar information you have on your organization. Thanks!!

The Marathon Garden Club

The Marathon Garden Club is located at 5270 Overseas Highway, MM 50 Bayside, in Marathon. It has regular meetings the third Friday of each month, October through May, at 11:30 am. Open to the public, free of charge, a light lunch is served followed by a brief meeting and a presentation by a guest speaker.

Calendar: February 10, 2007: February Festival. A one-day event which includes plant, baked goods and a "used treasures" sale along with educational booths to promote Florida Friendly gardening. March 3, 2007: 31st Annual House & Garden Tour sponsored by the Marathon Garden Club. Open to the public.

The Garden Club's gift shop is open 10:00 am - 2:00 pm Monday thru Saturday, offering moderately priced merchandise, all-occasion gift cards and floral and garden supplies. Call (305) 743-4971 for more information or visit their Web site at www.keysy.com/mgc.

Key West Garden Club

Located at the historic West Martello Tower, Joe Allen Garden Center. Garden Club meetings are held in the pavilion, the records and equipment of the club are stored in powder magazines, and flower shows utilize every inch of space inside the buildings and grounds of the fort. Scheduled floral design workshops are held at the Garden Center. "Work and Learn" and horticulture sessions help members and the public to learn the basics of growing plants in the Keys.
