### Florida Keys Chapter (Tavernier)

*Mrs. Katharine M. Wilkinson, Regent*

We were officially accepted on October 14, 1983, and have completed most of the Committees for a beginning Chapter. The members have been very cooperative and have made efforts to help each other do more than one job.

Because members live as far as 90 miles away, we have arranged our meetings in the Keys to accommodate all the members.

Our programs commenced on September 8, 1984, celebrating Constitution Week and being presented with the proclamation from our Monroe County Mayor honoring this week. A special speaker was invited.

On October 13, we had an educational program with the principal from one of our high schools speaking on new methods in the school system. This was followed by a question and answer session.

In November, Mrs. James McGarity, State Curator, came to speak and show us slides on the DAR Museum.

The December meeting was another slide presentation. The topic was "Famous Indian Women."

In January, our Vice Regent gave a program on the Statue of Liberty followed by our "Liberty Love Day" donation period.

Our State Regent, Mrs. Robert C. Foster, was our guest for the February meeting. It was a real treat to have our State Regent travel so far to be with us and it meant a lot to our members. We enjoyed her comments and encouragements for a new Chapter.

"Early Glassware" was the theme for our March 9 meeting.

Our April 13 meeting featured a National Defense report from Mr. Joe Bilbrey, Commander, Key West Military Order of the World Wars.

Our May 11 meeting featured our three DAR Good Citizens from the high schools in our county.
