TO ALL GARDEN CLUB PRESIDENTS:

Dear Florida Gardener:

The Bromeliad Society of Central Florida and the Florida Council of Bromeliad Societies, Inc. are honored and happy that the Florida Federation of Garden Clubs has included a visit to our 1980 World Bromeliad Conference as part of their State Convention.

Enclosed is a copy of our Schedule of Events, which we hope you will pass on to your members. There will be no admission charged for the show and sales area.

We are working very hard to make our show meet the high standards of excellency that have been set up by the Federated Garden Clubs and look forward to seeing you in Orlando in May.

Yours very truly,

Carol M. Johnson
