FLORIDA KEYS — Referring to Valentine's Day as an appropriate time for an outpouring of love, a spokesman for the National Society of Daughters of the American Revolution (DAR) described a fund-raising effort as "over 200,000 Daughters united to help another damsel in distress."

Designating Feb. 14 as Liberty Love Day, the Florida Keys Chapter will join DAR groups across the nation in collecting money to aid the restoration of the Statue of Liberty.

The effort involves each member of the organization making her own contribution and contacting at least five non-members for donations.
