In checking on some dates w/the two Chambers, I also asked about who I need to send news releases to & who our GCUK contacts are at each Chamber.

Isla: they have 2 contacts: they have my phone number  
gardenclubupperkeys.org  
**info@upperkeys.com**

KL: they have a different 2 contacts - Edna is the contact – but they have my phone number. (Lania can help w/webstuff...)  
gardenclubupperkeys.org  
**mrogers@gardenclubupperkeys**

I don't know what happens to the items in bold –Questions: *are they live? Who answers them? How would I know if I had mail?*

I can be the contact for both Chambers, unless someone else wants to!

I will send media releases to them.

Who else at the Club needs to be involved in this conversation?
