

May 17, 1955.

Members of the Upper Keys Garden Club drove to the Redland Fruit and Spice Park.

After greetings by Mrs. Mary Heinlein lunch was enjoyed on the porch, and then members rambled through the gardens.

Instructive pages on Medicinal and Economic ,tropical fruits and Poison and Allergy Producing Plants were distributed.

Mrs. Carl Sheffel, was a guest of the group and brought cuttings and seeds which she distributed.

In a talk to the group Mrs. Heinlein told of the work of the Park, its history, and growth.
