## TREASURER'S MESSAGE

Emilie Burroughs

As the point of contact between the Marathon Yacht Club and the Sombrero Country Club, I need to know every month the number of people who are coming for the luncheon meeting. Both clubs are very dependent on an accurate count, so I want to remind you that if you change your mind about coming, or you decide to come at the last minute, please let me or your caller know by the Wednesday before the meeting. ## CHAPLAIN'S MESSAGE

### Blueprint For Peace

Walk in His steps until you learn  
God is your Father, men your brothers.  
As you would have men do, in turn,  
With gracious kindness do to others.

Regard creation's vast design  
With humble mind toward God and men.  
Consider human life divine;  
Believe right triumphs in His plan.

Let love possess your heart and soul  
And drive out selfishness and hate.  
Know that mankind can reach the goal  
Which God has set and not blind fate

Earth need not drip with blood again.  
We can achieve peace in our day.  
If we will heed Christ's words to men:  
"I am the Light, the Truth, the Way."
