

WE SUPPORT

Take Stock In Children
Burton Memorial Church's
Food Pantry
Wekiva Youth Camp
Habitat for Humanity
FL Keys Wild Bird Center
Island Dolphin Care

Our property is also designated as a bird sanctuary & native hammock. We have planted 15 new native plant species to encourage native and migratory birds to visit our gardens.

At our local Laura Quinn Wild Bird Sanctuary, injured wild birds are cared for and nurtured. Through membership participation, our club is proud to provide monetary support.

AN INVITATION

WE INVITE YOU TO JOIN US!

GARDEN CLUB OF THE UPPER KEYS

Francis Tracy Garden Center

Promotes, develops, & conserves
the natural beauty of the Keys.

Our meetings, workshops, and
special events provide education
and information.

COME JOIN US IN THE FUN OF
GARDENING IN THE UPPER KEYS!

WEBSITE: gardenclubupperkeys.org
MEMBERSHIP IS OPEN TO ALL—
"GREEN THUMB" NOT REQUIRED!

ENTER THIS GARDEN AND BE AT PEACE

The clubhouse sits on property that Dr. Fred Bond donated stipulating that "it never be sold for commercial use and that it be named the Francis Tracy Garden Center to honor our *Angel of Mercy of the Keys.*"

Through the dedication and generosity of the community and garden club members, the clubhouse was built and furnished.

During 2010 in cooperation with both Keys To Peace and Monroe County Students, our club's garden became the 4th to be dedicated as a *Peace Park* to promote peace and to honor the *International Day of Peace* every September 21st.

Our gardens are a place where a person can come to gather their thoughts while enjoying the serenity and beauty of a peaceful garden. We have Master Gardeners as well as Novice Gardeners in our membership.

EVERYONE IS WELCOMED!

Special Events

Come join us for our *Garden Walk* in February and *Fall Festival* in October.

Our guest speakers are very knowledgeable and informative. Pictured is a discussion about *growing herbs*.

Meetings are held September through May.

Speakers and dates can be found on our website: **GARDENCLUBUPPERKEYS.ORG**

Field trips are not only fun but are very interesting and full of useful information. Pictured is a discussion about *watering system options*.
