WARNING CONCERNING COPYRIGHT RESTRICTIONS: The copyright law of the United States (Title 17, USC) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, archives and libraries are authorized to furnish a photocopy or reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. The National Anthropological Archives reserves the right to refuse a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.
