In mid-November, the Upper Keys Garden Club was saddened by the death of a long-time and only life member in the Florida Federation of Garden Clubs. Margaret's family donated her large collection of specimen plants and orchids to our club. They will be sold - the first sale will be following the December 21st regular meeting. Another is planned at the time of the Garden Walk January 21st, 1983 and if necessary another at the time of the Flower show, March 4 & 5, 1983.

✓ *Janet Bell*

The Grounds Committee has completed Phase I and isn't it nice? This is a dedicated group and I hope your thanks will in part reward them for their many hours of labor. If you look closely, you might see a telephone growing on Jennie Smith's ear. The identification signs for the trees on the club grounds are really here. They are easily read---just what we need.

The Arts and Crafts show for the benefit of the Grounds Committee was a great success. I will give Jennie Smith the joy of announcing our net profit at the December meeting.

BITS AND PIECES:

We are proud to have a member of our club elected to the Monroe County Board of Commissioners.

We have a few calendars for sale; see Barbara Green.

Garden Walk tickets have been distributed.

If you wish to have a yearbook mailed to you, send the request to P. O. Box 373, Tavernier 33070.

We have bridge every Wednesday at 1 P.M. No partner necessary. Come and bring your friends.

Flower arranging classes: Feb. 7, 14, & 21, 1983.
Fee not yet determined.

It is with sorrow, we announce that there will be no Junior Garden Club activity this year. The school system could not give us time.

Happy Holidays from the Board. .
