## National Society Daughters of the American Revolution

Florida Keys Chapter

By B. JOAN BARNA

A lovely Christmas luncheon was enjoyed by our members last meeting at the beautifully holiday decorated home of Mrs. Robert Stout in Marathon. As always, we were treated to hand-crafted gifts and delicious food. Mrs. Stout also presented a most knowledgeable and informative slide program on the early Keys.

The best present of all was having our dear Regent, Mrs. Vernon Harwood, back in the fold, but we missed our Past Regent, Mrs. Jerry Gioir, who is in Texas with her new grandchild.

Our next meeting will be January 14th at the gracious Key West home of Mrs. Thomas J. Dunn. The program will be on rubbings from grave stones of Colonial settlers and Revolutionary soldiers. All visiting Daughters are most welcome and for more information on planned events, please phone Mrs. Jean Barnes Butts at 852-8384; many of our ladies enjoy an associate membership in our beautiful Keys.

Plan ahead for our May meeting in Key West: We will have the good fortune to have as our speaker, the Florida State Regent, Mrs. John E. Drolshagen.

Just a little note to express my gratitude for the lovely article you gave the DAR in your last edition; I was so pleased for the chapter, as we receive points with National in our yearly reports for such publicity.

Thank you again, your thoughtfulness was greatly appreciated.
