Board meeting 4-16-90

Pres. called the meeting to order. Sec't read the minutes. \$5235.62 is in the treasury.

Next was a discussion about our official address.

Pres. asked for motion to dispense with an audit this year. Motion was made by Lynn and seconded by Philly and passed.

Mr. Irving Zyster, tomorrow's speaker will be first on the program. Flo is to have master membership list ready soon.

Blower show letter to be read at Tuesday's meeting. Judges suggested having colored back grounds for small arrangements to enable them to show better. They also mentioned that in national shows there are no fruit or vegetable categories. We not use anything that might draw bugs. Our Pres. questioned the club's permanent tax exempt status and discussed writing State legislature members asking to have this continued.

Bob Torrey, House committee chairman, submitted a thorough detailed report about the new air conditioner and new ramp. He and Mr. Wudek replaced burned out bulbs. The report included an important reminder to keep blinds in adjustment plus suggestions for future consideration.
