2013-14 Volunteer for the Garden Club

[Print Page](#)

Thank you for volunteering! You have the following upcoming commitment(s):

For Tuesday, September 03

Garden Meeting Setup & Cleanup Training (1 spot) from 9:30 am to 2:00 pm

An experienced Garden Club Member will train you on how to setup for a Garden Club meeting including room setup, decorations, and beverage service. After setup, join other Garden Club members for our speaker, bag lunch and membership meeting (11 am - 1:30 pm). After the meeting, you will be trained on how to clean up the meeting area. This training will prepare you to help with hosting other Garden Club meetings.

Comments:

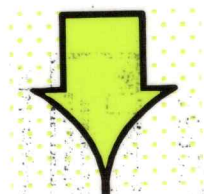

Looking forward to being trained to help host the Garden Club meetings. See you on Sept 3rd!
