TAVERNIER — Labeled by one of her coaches as one of the best athletes in the history of Coral Shores High School, a senior athlete walked out of the sport's banquet May 27 needing a U-Haul to carry away the awards.

Kerry Cooley, a senior straight-A student, captured a myriad of awards including the Most Valuable Player (MVP) honors in volleyball, girls basketball and softball.

For receiving post-season honors in all three sports and for setting a school record for the number of varsity letters earned, Cooley was the unanimous selection for the female Athlete of the Year plaque from the coaches and American Legion Post 333.

Missing a male athlete who dominated the sports scene as Cooley, the coaches awarded the male Athlete of the Year plaque to a two-letterman senior.

Rafael Dominguez, who received all-conference honors in football and wrestling, also claimed the MVP award in football.

Wrestling coach C.J. Worden attributed the award to Dominguez' hard work and drive, making himself into an athlete.

A full list of award recipients will be published in the June 1 Keynoter.
