## Year-book

Emily Murphy

**DEER PATH  
MIDDLE SCHOOL  
Lake Forest, Illinois  
1992-1993**

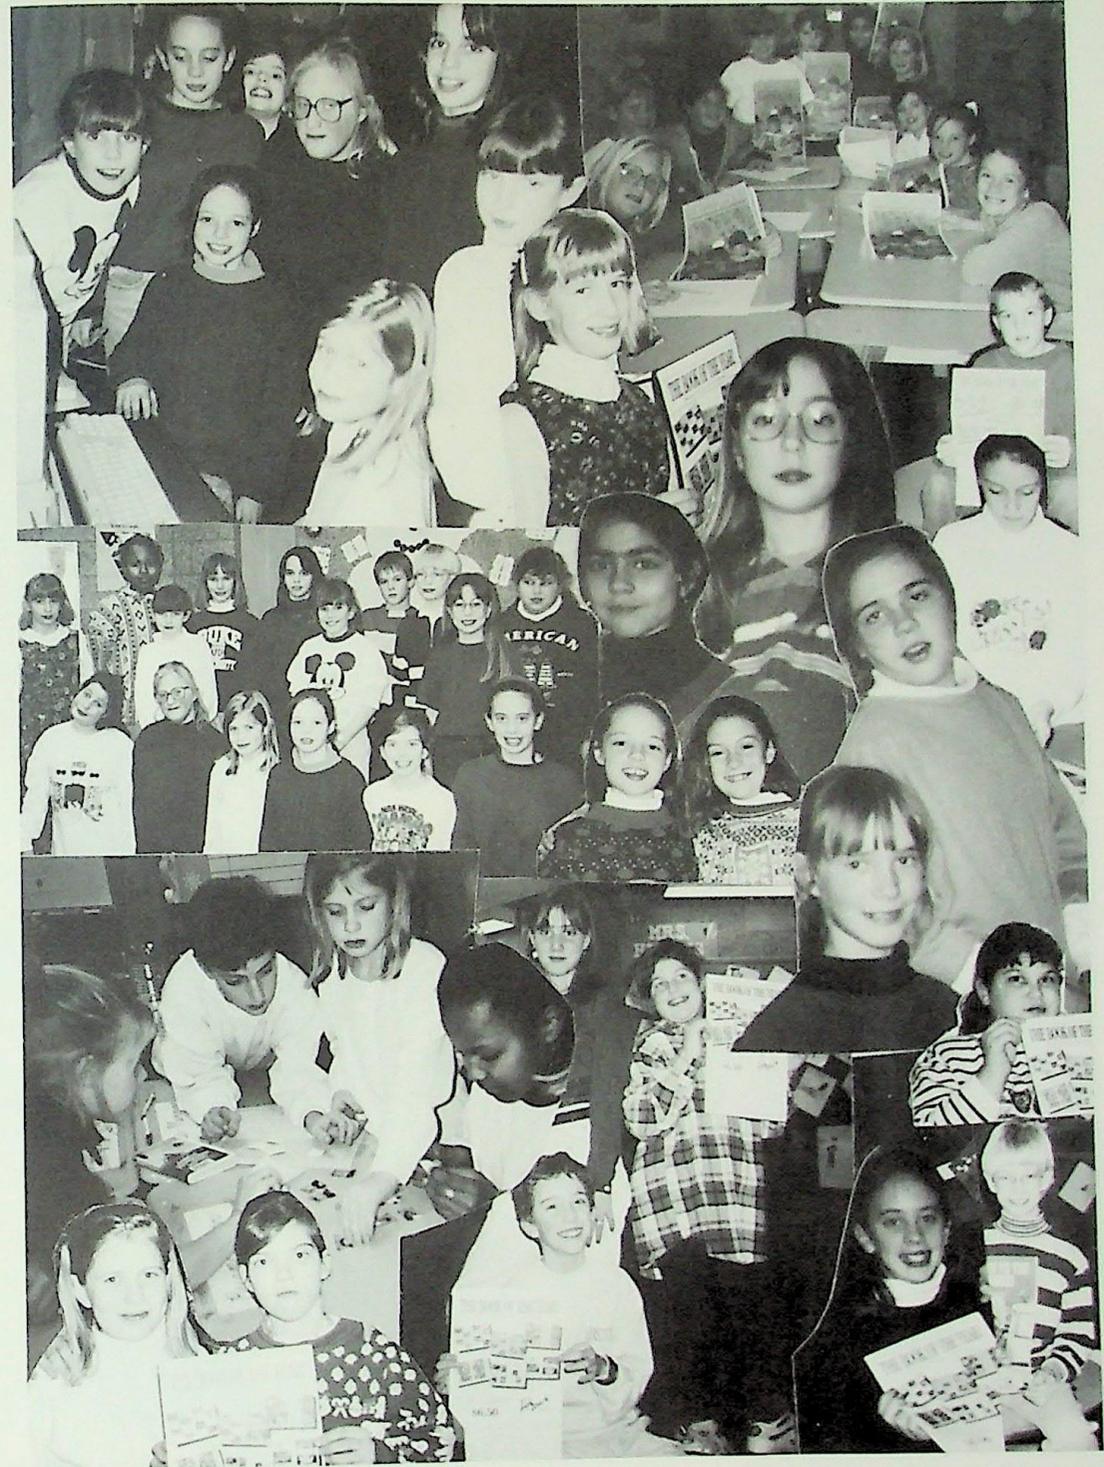

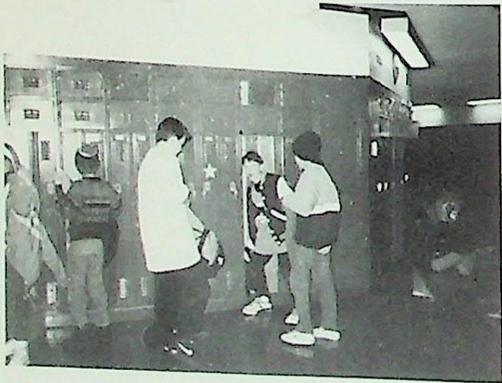

Dear Students, Staff and Parents,

1992-1993 has been an exciting year at D.P.M. We have been working on a variety of projects. The purpose of the yearbook is two-fold. This book is developed to generate pride and enthusiasm for the many activities that children are engaged in at D.P.M. Secondly, the book serves as a special memory of time shared, learning and friends made.

I hope as you review this special book you will think of the love and care put into it by our students and staff involved in the Yearbook Club. I also hope that many fond and rewarding memories arise as you look at the smiles and excitement evident in the pictures. It is amazing how a snapshot can sometimes capture the very special experience of the love of learning.

I hope this book is as special to you as the many memories it holds for me. In future years I hope you revisit this book and remember your days at D.P.M. with pride and love.

Sincerely,  
Mrs. Ferché
