Thought you'd like this sneak-peek.

There's still more to do, but the people at the foundry sent me these just now.

Tom & Bob - according to the Agreement between Timeless Creations and the McKinlock Foundation, dated Jan. 27, 2022, the following terms apply.

Section 10 - Price and Payments Terms

Payment terms are as follows:

Number (5) - \$40,000 due upon completion and installation.

NOTE: we modified the agreement and have already paid 50% of the \$40K.

The agreement is quite clear, once the monument is complete and has been permanently installed, the foundation is required to pay the final remaining balance, which is now a balance of \$20K.

Per the agreement, we need to provide a check to Timeless Creation for the remaining balance of \$20,000 dollars on September 7, 2023.

Once the monument has been permanently installed in Veterans Park, the ownership of the monument immediately transfers to The City of Lake Forest.

All that time, all "Care, Custody and Control" of the monument is transferred in perpetuity to the City of Lake Forest.

Per our agreement, the actual date of the monument dedication, has zero bearing on the payment terms.

Hi Ed,

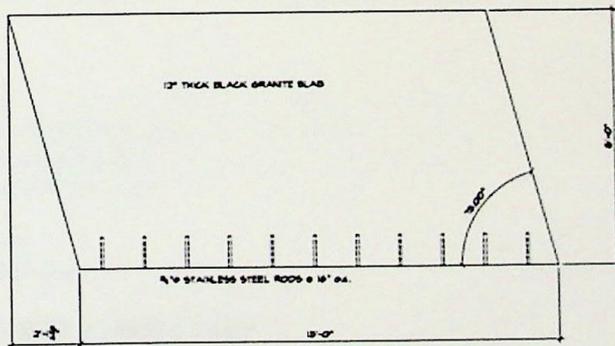

Here is Fred's illustration of the granite with measurements.

Looks good to me, but I want to run it past Omri, and I'd like to get Fred on the phone and discuss the concrete/aggregate base so we're all on the same page before telling the city to proceed.

I'm trying to set up a conference call at 9:30. Fred didn't respond yesterday afternoon, so I'm not sure. Does it work for you?
