THIS DEPARTMENT HAS WORKED  DAYS  WITHOUT A LOST TIME ACCIDENT

THIS DEPARTMENT  
HAS WORKED  
DAYS  
WITHOUT A  
LOST TIME  
ACCIDENT

A man wearing a white hard hat, glasses, a dark blue polo shirt, olive green trousers, and black shoes stands in the center of the frame. He is also wearing a bright yellow high-visibility safety vest with reflective silver stripes. He is looking towards the camera with a neutral expression.

On the right side of the image, another man is partially visible. He is wearing a yellow safety vest, blue jeans, and black sneakers. He has his arms crossed and is looking towards the left.

In the foreground, there are several large stacks of dark, rectangular stone blocks. The most prominent stack is on a wooden pallet and is secured with black straps. The stone has a rough, textured surface.

In the background, there is a large piece of industrial machinery, possibly a stone saw or grinder. It has a complex structure with various pipes, hoses, and a control panel. An American flag is visible on the side of the machine.

On the left side of the image, there are more stacks of stone blocks on pallets. A red barrel and some wooden framing are also visible in this area.

In the middle ground, there is a workbench with a red bucket and some blue hoses. The floor is concrete and appears to be a busy work area.
