DEDICATION

We, the Senior class of 1954 dedicate this annual to the ideals and purposes for which our Alma Mater, Ravenswood High School, stands.

As the rising sun is but a promise of a glorious day ahead so our school days, rich in experience and attainment; are the assurance of the golden future to come. We hope that in these future years this edition will bring back treasured memories of our high school days although it

has been difficult to bring under one cover all its achievements.

Therefore, we the staff of the "1954 Nautilus" humbly dedicate this book to our Alma Mater, Ravenswood High School, and bid its halls a sad farewell.

CLASS HISTORY

Flash Ladies and Gentlemen!

This is station RHS bringing you a very important announcement. This evening at 8:00 o'clock it happened — From the hallowed halls of Ravenswood High School came forth the most surprising, unpredictable class the school has ever known.

It was a beautiful morning in September of 1950 when a group of wandering students entered Ravenswood High School for the very first time as unexperienced, green freshmen. We were shy and timid, but we managed to smile and hold our heads up. We all stayed huddled together in groups, and wandered through the halls inspecting every nook and corner. Under the sponsorship of Mr. Clyde Hibbs and the former Miss Lettie Gillaspie, the class organized with Charles Franklin, President; Helen Workman, Vice President; Phyllis McCoy, Secretary; and Hoyt Wheeler, Treasurer. Eddie McCoy was elected as our representative to student council and Betsy Miller was chosen cheerleader.

As sophomores we had become acquainted with the teachers and students and we began to join more clubs and activities. But the biggest change of all was the fact that we young, harmless boys and girls were beginning to stand up and take notice of the opposite sex, which in time would really lead to problems. This year we were under the capable sponsorship of Mr. T. A. Knotts and Mrs. Blanche Jarrett. We elected Betsy Miller, President; Eddie McCoy, Vice President; Phyllis McCoy, Historian; and Larry Kuhn, Treasurer.

After a short vacation of three months we returned to school as Juniors. By this time we were in many activities and had lots of work to do. Our main project was to raise money for the Junior-Senior banquet. We presented our class play, "Take Care of My Little Girl," under the direction of Mrs. Clara Belle Denning and Mr. Gay Cox. During this year we lost a very dear classmate, Delores Glover. Delores was popular with all her classmates and was an active member of our class. Early in the year we chose standard class rings, which we considered to be a very pretty choice. We had four princesses entered in the Miss Red Devil contest; Jo Ann Suck, Delores Glover, Helen Workman, and Phyllis McCoy. Kay Purdy attended Girl's State and Carroll Staats represented us at Boy's State. Carolyn Means and Hoyt Wheeler were chosen to attend "Know Your State Government Day" in Charleston. Dee Chambers and Betsy Miller represented Ravenswood High School at the Junior Town Meeting Conference also held in Charleston. The Junior-Senior banquet was a huge success under the guidance of Richard Suck, President; Mary Suck, Vice President; Phyllis McCoy, Secretary; and Dee Chambers, Treasurer.

Now comes the biggest event since the Monroe-DiMaggio wedding. The Class of 1954 has reached the top of the ladder. Again under the direction of Mrs. Clara Belle Denning and Mr. Gay Cox we presented our senior play, "Ghost Wanted." Our own Dee Chambers was chosen from the ranks to reign as "Miss Red Devil." Another classmate on her way to fame is Carolyn Means, who won the state American Legion oration contest. Ann Yoho and Jack Turner represented us at the Spring Fashion Parade in Parkersburg. Under the leadership of Hoyt Wheeler, President; Nelda Alexander, Vice President; Emma Jean Greathouse, Secretary; and Jack Bonar, Treasurer; we planned a trip to Washington, D. C., had a work day, and presented the annual Variety Show. We were awarded Senior privileges such as front seats in assemblies, being looked up to by all younger students of the high school and being right in the midst of everything going on. We were sitting on top of the world, but all good things must come to an end and this was no exception.
