CLAIMS — IT IS THE DUTY OF THE CONSIGNEE TO ACCEPT DELIVERY ON BOATS DAMAGED IN SHIPMENT AND TO ENTER CLAIMS PROMPTLY WITH DELIVERING CARRIER.

FACTORY DELIVERY — When a full trailer load, about 24 twelve foot boats or equivalent, can be scheduled for delivery to one dealer or dealers close together, the factory can arrange to deliver. Factory delivery charges are about the same as freight rates, but packaging charge is eliminated.

DEALER PICKUP — Many dealers pick up their Aero-Crafts at the factory and save both freight and packing charges. Dealers trailers are loaded free, but lumber necessary to rack boats is charged to the dealer.

CUSTOM WORK — As a general rule larger cruisers and special custom boats are made on order only and can be shipped within 60 days of receipt of order with a 25% deposit.

SPECIFICATIONS — The factory reserves the right to alter any listed specifications without notice, if, in the opinion of the factory such alterations will improve the boat or facilitate production without lowering quality.

LIABILITY — We shall not be liable for defaults or delays in deliveries if occasioned by wars, fires, the acts of God or the public enemy, labor, transportation difficulties, Government priority allotments, or other causes beyond the control of seller.
