AEROCRAFT

WISE BUYERS PREFER THE QUALITY, STYLE AND PERFORMANCE OF AERO-CRAFT BOATS.

AMERICA'S FIRST MANUFACTURER OF PRODUCTION ALUMINUM BOATS.
GUARANTEED FOR LIFE

AERO-CRAFT ALUMINUM GUARANTEE

All registered AERO-CRAFT aluminum boats are guaranteed, to the original purchaser, for as long as he lives, against hull punctures in normal use on water and for one full year from date of purchase against defects in materials and workmanship. Repairs necessary during the guarantee periods, from normal use on water, will be made free of charge by the factory.

Transportation to and from the factory shall be paid by the boat owner. Any repairs necessary as the result of abuse or negligence will be made at cost by the factory.

This guarantee does not apply to damage sustained while boats are in transit, nor does it apply to windshield breakage, upholstery damage or physical paint damage.

To put the guarantee into effect, the warranty card must be filled out and mailed to the main office in St. Charles, Harwill, Inc., will not be held liable for dealer misrepresentation of this guarantee.

HARWILL, INC.

AERO-CRAFT ALUMINUM CONSTRUCTION FEATURES

QUARTER BRACES

Cast aluminum quarter braces securely riveted to transom and gunwale for "Plus" strength.

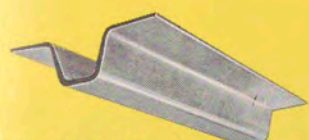

EXTRUDED GUNWALES

Heavy-Duty aluminum gunwales add terrific strength and rigidity to the boat.

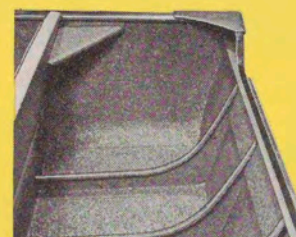

BULKHEADED SEATS

Sturdy bulkheaded aluminum seats make the entire hull strong and rigid. Ample STYROFOAM for flotation safety.

EXTRUDED KEELS

Aero-Craft boats feature this rugged extruded keel for fullest protection against beach abrasion.

TRANSOM

New POWER THRUST TRANSOM designed and engineered to give maximum strength and rigidity.

INTERIOR BRACING

Transverse and longitudinal bottom bracing of new hat type design adds superior strength and maximum rigidity to the bottom of the boat.

AERO-CRAFT FIBERGLAS CONSTRUCTION FEATURES

- Rigid inspection
- Safety engineered
- Precision construction
- Reinforced fiberglass
- Fatigue resistant
- Molded strength
- Smooth lines
- Shock absorbing
- Reinforced transoms
- Fortified bottoms
- Full-load performance
- Minimum maintenance

When buying a fiberglass boat, remember this basic formula . . . WEIGHT EQUALS STRENGTH.

PACKING CHARGES

12' Models	\$ 6.00
14' Models, Canoes	8.00
All Deluxe Boats	15.00
Skid Charge	15.00

TRAILER ASSEMBLY

Trailer Assembly Charge	\$10.00
Trailers with Transom Supports and A-Frames	12.50

SHIPPING — All shipments F.O.B., St. Charles, Michigan. Factory may ship either by truck or rail unless specified R.R. Express. Refer to freight chart on following page for various freight rates to different locations.

CLAIMS — IT IS THE DUTY OF THE CONSIGNEE TO ACCEPT DELIVERY ON BOATS DAMAGED IN SHIPMENT AND TO ENTER CLAIMS PROMPTLY WITH DELIVERING CARRIER.

FACTORY DELIVERY — When a full trailer load, about 24 twelve foot boats or equivalent, can be scheduled for delivery to one dealer or dealers close together, the factory can arrange to deliver. Factory delivery charges are about the same as freight rates, but the packing charge is eliminated.

DEALER PICKUP — Many dealers pick up their Aero-Crafts at the factory and save both freight and packing charges. Dealers trailers are loaded free, but lumber necessary to rack boats is charged to the dealer.

CUSTOM WORK — As a general rule larger cruisers and special custom boats are made on order only and can be shipped within 60 days of receipt of order with a 25% deposit.

SPECIFICATIONS — The factory reserves the right to alter any listed specifications without notice, if, in the opinion of the factory such alterations will improve the boat or facilitate production without lowering quality.

LIABILITY — We shall not be liable for defaults or delays in deliveries if occasioned by wars, fires, the acts of God or the public enemy, labor, transportation difficulties, Government priority allotments, or other causes beyond the control of seller.
