Antique Boat Museum

One piece, seamless, UV stabilized, acrylic hull and innerliner. Stainless steel and nylon hardware, 7' oars, urethane rubrail, hand laid fiberglass seats and transom. (Teak or mahogany seats optional).

Our custom designed anodized aluminum gunnel rails allow the seats and oar locks to slide fore n' aft for your maximum comfort and viewing. A Bimini track is also built in along with a colorful accent strip.

Row, row, row your boat or power up and motor on.

Kids love the "Seeshell". It opens a new world of adventure and excitement. Kids of all ages! Can you imagine...

We can ship to you anywhere in the world.

SPECS:
93"x49"x16" - 100 lbs±.
Weight capacity 500 lbs.
(People, motor, gear)
rated for 2 hp. Floatation
meets USCG
requirements.

The acrylic inner liner is easy to replace.

Slide the seats back, hook up a tow line... our boats are built for a different point of view.

We stand behind our boat!

Seeshell Dinghies™ the ultimate fun boats are available from your local boat dealer.
