Dear Buck,

Just a note to express our sincere appreciation for your talk at the Society of Gas Lighting last Thursday. It was extremely well received and certainly timely for all of us.

I particularly took to heart your remarks about starting any public relations campaign with the employees. There is no doubt in my mind that we have done too little in this area.

It is not easy to make the preparations, travel, meet time schedules and do such a superb job. We all thank you.

Sincerely,
