Dear Steve,

As discussed, in connection with the Arthur W. Page Society, I have enclosed a copy of the draft monograph and the draft brochure copy prepared about Page. These are being used by Jack Fallon, I believe, to prepare a brochure and other materials.

I have also included a copy of the Page obituary from "195 Magazine" of October, 1960.

In addition, as you requested, a copy of the finding aid to the Page papers at the State Historical Society of Wisconsin is enclosed. The contact there is Mr. Harold L. Miller, Reference Archivist, 816 State Street, Madison, Wisconsin 53706. I believe that Jack Fallon's people have obtained a photograph from this collection.

A brief shelf inventory of our collection of Page materials is also included. A finding aid is being prepared for these materials and I will send it when completed.

Sincerely,

A handwritten signature in cursive script that reads "Bob Lewis".
