

Marietta January 23rd 75

My dear little George:

I have not much
to write about but I want to tell you
how glad I am that you are learning
so fast, nearly in 4 Reader! only think
of it my little baby boy I can hardly
believe it. In a little while he will
be coming to Marietta to College
Well I hope he will grow up to be
a good man as well as a smart one

Much love from Grandma

P. S. I have still got the picture

you sent me. & will take good care of it.
