

Dear Geo - "Good Friday"

Today Bess made some
little Easter Eggs & thought you
might like to give some body
some so will send two by mail
to-day. You can give to
young ladies, Mrs. Hart or
keep them your-self just as
you please. They are "real
cute." Papa will send money
before the 10th of April.

We dyed two dozen & seven
eggs to-day.

Bess thought she might try
to sell the eggs she fixed.

I sold Mrs. Hogue 2 & 5 dyed
ones for the church & Bess sold

Pat a dozen dyed ones

Well good bye

Your loving sister, Amy.

P.S.

Don't expect a letter
